

Learning Lab in Room A7

PURPOSE

The purpose of the learning lab is for students with IEPs to have an opportunity to access a small learning environment to take a test, access computers, or work on a project. This is not a place to send students who are being disruptive.

PROCEDURE

Students must come with a pass, which they can request from their teacher (see below for printable passes). Students with no pass will be sent back to class. Students must come with all needed materials. The Learning Lab cannot accommodate more than three students from each class at one time. Due to limited space there may be occasions when students will be returned to your class. NOTE: STUDENTS WILL NO LONGER BE SENT TO CURRICULUM SUPPORT FOR THIS

Passes are also posted online at <http://tusd.schoolwires.net/Page/2374> (you can download and print them from there if you run out).

TEST SECURITY

You may email a test to the learning lab teacher (see below), **send it with a Vanden staff member** (campus monitor, instructional assistant), or leave it at the learning lab earlier in the day. ***Tests will be returned to your box.***

(note: there will be no aide in this class, so escorting of students or tests is not possible)

Learning Lab Schedule (2015-2016 School Year)

PERIOD	TEACHER	EMAIL ADDRESS
1	Francine Caires	fcaires@travisusd.org
2	Mary King	mmking@travisusd.org
3	Trish Bernal	tbernal@travisusd.org
4	Mary King	mmking@travisusd.org
5	Michelle Brodersen	mlbrodersen@travisusd.org
6	Joanne Scott	jscott@travisusd.org
