Dear Vanden Parents,

Your student will graduate from Vanden High School with the Class of 2024. We would like to provide you some important information regarding your Senior's Yearbook Portrait, Senior Portraits and Graduation Announcements.

Vanden High School has once again contracted with **Images by Hughes in Fairfield** to be the OFFICIAL Senior Portrait photographer for the Vanden High School Yearbook! Only senior portraits done by Images by Hughes will be accepted for the 2024 Vanden yearbook.

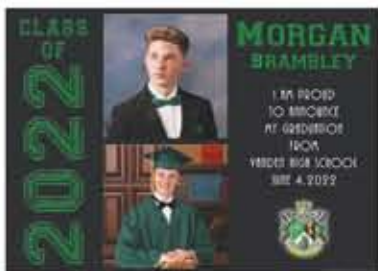

Senior Portraits for the 2024 Vanden yearbook will be taken this summer at Images by Hughes in Fairfield. It is necessary to take the senior portraits **this early** in order to meet the school's early yearbook deadline. We are a professional photography studio that has been located in Fairfield, for 48 years!

An appointment for your senior portrait session along with additional information about your senior portrait choices will be **mailed to you in June**, addressed:

"To the parents of" (the name of your student)

Our senior portrait yearbook sessions begin at just \$20. Seniors are required to be photographed in formal attire to appear in the Vanden yearbook. Tuxedos and velvet drapes are provided by our studio.

(Studio provides tuxedos, velvet drapes, tube tops and caps & gowns.)

Many parents find that this is the perfect time to also have their senior photographed wearing the **Vanden graduation cap and gown**. These are a great addition to the choices you have for family and friends and to include on your photo graduation announcements.

Other studio and outdoor sessions are available that include yearbook retouching, graduation cap & gown, sports outfits, letter jackets, etc. You will receive more information about these choices in the appointment letter.
