

Sunday Bulletin for June 4, 2023

Good evening, Viking families,

Congratulations to the Class of 2023 and to all our students for completing the school year!

Semester 2 grades will be viewable on the Aeries portal by Thursday, June 8th.

Summer school starts this Wednesday, June 7th, and is designed for students needing to remediate classes. If your student has not already received a Summer School enrollment form and you believe your student should be enrolled in summer school (due to not passing a class), please email your student's counselor.

Students needing to return textbooks or other materials may bring them to the library next week between the hours of 8:30am and 3:30pm.

We are getting ready and looking forward to the 23-24 school year. The first day of school is Thursday, August 17th and orientation for incoming 9th graders will be on Thursday, August 10th. Please plan your summer events and travel so your students do not miss school.

Vanden's bell schedule will be changing next year.

- On regular school days, first period will start at 8:30am and sixth period will end at 3:20pm
- On Common Planning Days, first period will start at 9:10am and sixth period will end at 2:15pm

More information about the start of school, 9th grade and new student orientation, and a detailed bell schedule will be emailed in July.

Have a safe, relaxing, and fun summer!

Ms. Shields
