

# Shape Fill In Game

Materials needed: 1 game sheet, 2 different color crayons, and 1 die

- Directions: The youngest player rolls first.
- Player 1 rolls and colors in the same number of sections as he/she rolled.
- Player 2 rolls and colors in the same number of sections with a different color as he/she rolled.
- Continue playing until the shape is filled in.
- Player with the most sections colored in is the winner!
- Challenge play: Have players add or subtract 1 or 2 from the number rolled and color in that many squares. Also, can play using 2 dice and adding the sums.
