 TRAVIS UNIFIED SCHOOL DISTRICT

School Meals at No Charge for All Students

Effective for School Year 2021-22, Travis Unified School District will serve meals at no charge to enrolled students. The U.S. Department of Agriculture (USDA) has approved use of the Seamless Summer Option (SSO), which allows local school districts to provide **no-cost meals to all enrolled students for the duration of the 2021-22 school year.**

Families should still complete the income survey found on Titan. This survey allows the district to receive funding that provides access to programs and services to help your children better succeed. These programs include but are not limited to pandemic EBT, reduced/free bus passes, reduced/free AP testing at Vanden, and letters available for reduced internet eligibility. Information provided is confidential.

The income survey on Titan can be accessed here: <https://family.titank12.com/income-form/new?identifier=SHEL57>

Households do not need to turn in an application when the household receives a notification letter saying that all children automatically qualify for free meals when any household member receives benefits from CalFresh, CalWORKs, or FDPIR. Children who meet the definition of foster, homeless, migrant, or runaway, and children enrolled in their school's Head Start program are eligible for free/reduced programs. Contact school officials if any child in the household is not on the notification letter. The household must let school officials know if they do not want to participate in free/reduced programming.

Your child's eligibility status from last school year will continue into the new school year for up to 30 school days or until the school processes your new income survey, or your child is otherwise certified for free or reduced programs. After the 30 school days, your child will have to pay full price for qualifying programs, unless the household receives a notification letter for free/reduced programs. School officials do not have to send reminder or expired eligibility notices.

This institution is an equal opportunity provider.
