Ten (10) month employees 10 days  
Eleven (11) month employees 11 days

Up to one hundred (100) half-salary sick leave days will be granted to eligible employees following exhaustion of all full-salary sick leave. The half-salary sick leave days are non- accumulative from year to year.

An employee becomes eligible to use the 100 half salary sick leave days during periods of his/her extended illness that are verified by a physician's statement.

When a permanent employee exhausts both full-salary and half-salary sick leave allowances, he/she may request a health leave of absence without pay for a definite period of time not to exceed (1) year, subject to renewal for a period up to two (2) years. Request must be accompanied by a physician's statement of incapacity. Return to duty is dependent upon the physician's statement of recovery.

- 14.2.5 The District may require a physician's or recognized practitioner's verification of an illness/injury, if an employee has been on sick leave for five (5) or more consecutive days, or after the supervisor's counseling with the employee about whether a questionable pattern of absence exists. Such counseling shall be followed by a written warning that the employee may be required to provide such verification for future absences. Any such written warning shall remain in effect through June 30 of that year. Any expenses incurred by the employee in obtaining verification required by the District shall be reimbursed by the District.

### 14.3 SICK LEAVE BANK

#### a) Creation

The parties agree to create a Catastrophic Leave Bank. The Bank's operation shall begin July 1, 2002. The purpose of the Bank is to assist permanent employees who have a long-term catastrophic illness or injury, not covered by the Workers Compensation System, and who have exhausted all other paid leave. A catastrophic illness or injury is defined as a life threatening or terminal illness or injury that prevents the member from working as verified by appropriate medical documentation. It shall be created and operated according to the following provisions:

1. For purposes of this section, a "day" shall be any day a unit member is expected to be on duty during the school year as determined by the terms of this Agreement.
2. The currency of the Bank shall be "hours of leave" of the unit members. Hours in the Catastrophic Leave Bank shall accumulate from year to year. Such leave does not accrue to any individual member.
3. Hours shall be contributed to the Bank and withdrawn from the Bank without regard to the daily rate of pay of the Catastrophic Leave Bank participant.

#### (b) Administration of the Bank

1. A 3-member Governing Committee shall administer the CSEA Catastrophic Leave Bank, with each member serving a three-year term, appointed by the Executive Board of Chapter 454. For the first term only, one seat shall be for 1 year, the second seat shall be for 2 years, and the third seat for a full term. Subsequent terms for all seats shall be for the full three-year term. The Executive Board may appoint members to fill open seats caused by resignation.
2. The Committee's authority shall be limited to administration of the Bank. The Committee shall approve all properly submitted requests complying with the terms of this article.
3. The Governing Committee shall set the minimum and maximum number of days the Bank is allowed to accrue, to freeze yearly contributions, or to make special assessments in order to keep the Bank solvent. It shall not authorize withdrawals beyond the then current balance of days/hours of the Bank.

4. All communications to participating members of the Bank shall be the responsibility of the Governing Committee and not that of the District.
5. The Bank is operated solely by the Chapter 454 of CSEA and not by the District. The District shall act only as the means of accounting, collecting and distributing the days/hours of sick leave as directed by the Governing Committee per this article. Creation of this Bank does not obligate the District to provide any days or hours of leave to any individual beyond that deposited to the Bank and correctly authorized for withdrawal by the Governing Committee.
6. The Committee shall keep records of its meetings and of its correspondence. It shall keep all records regarding health information confidential and shall not disclose the nature of any illness or injury except as necessary to process the request for withdrawal and to defend against any appeals.
7. The operation of the Bank, the actions and/or decisions of the Governing Committee, or decisions of the Executive Board regarding appeals of denied withdrawals, are not subject to the grievance sections of this Agreement.
8. If the Bank's operation is terminated for any reason, the days/hours remaining in the Bank at that time shall be returned to the then current participants proportionately to their FTE status.

c) Eligibility and Contributions

1. All permanent employees in paid status must have at least one year's accrual of sick leave plus 1 additional day accrued to become eligible for membership in the Bank. Participation is voluntary, but requires contribution to the Bank. Only active contributors shall be permitted to withdraw from the Bank.
2. Unit members may join the Bank during an open enrollment period once each year, which shall coincide with the unit's health benefit open enrollment period.
3. Unit members who elect not to join the Bank upon first becoming eligible must wait until the next open enrollment period before joining the Bank.

4. Upon creation of the Bank, each participating member shall contribute one equivalent day of sick leave (or the hour equivalent based on the member's FTE). The contribution of one day per year, once authorized by completion and filing of the appropriate form secured from the Governing Committee, shall continue in each successive year until cancelled in writing to the Governing Committee by the member, or by direction of the Governing Committee of suspension of all yearly assessments. Such suspensions may be rescinded in subsequent years at which time all yearly contributions will resume.
5. A member of the Bank shall not be eligible to withdraw from the Bank as of the effective date of any cancellation. Cancellation of membership in the Bank shall occur automatically whenever a unit member refuses to authorize any special assessment determined by the Governing Committee. If the cancellation occurs during a year, not during the open enrollment period, the member may not rejoin the Bank until the next open enrollment period. Upon cancellation, the sick leave previously authorized for contribution by the participant to the Bank shall not be returned to the participant and shall remain with the Bank.
6. Members whose sick leave balance is insufficient for fulfilling any special assessment shall remain a member of the Bank until July 1, at which time the member shall contribute the amount of the special assessment in order to remain in the Bank.
7. All unused days contributed to the Bank will be carried over from year-to-year. At the end of each fiscal year, the Human Resources Office shall report the total number of days remaining in the Bank to the Governing Committee. In order to keep the Bank solvent, the Committee may make a special assessment of all Bank Members of up to 2 days per year to replenish the Bank.

d) Withdrawals From the Bank

1. The Bank is for members who suffer from a catastrophic illness or injury, not for those who have exhausted their paid leaves for other reasons, therefore participants applying for a withdrawal from the Bank shall be required to submit a physician's statement which includes verification of the need for catastrophic leave. During the first year of implementation, withdrawals cannot be authorized until the Governing Committee has determined that sufficient deposit of days is available for usage.
2. Withdrawals shall not be approved for illness or injury covered by

Workers Compensation, or any claim in dispute.

3. Bank members qualifying in number one above must also have exhausted all other forms of paid leave before being eligible for application for a withdrawal.
4. Participating members may be granted a one-time benefit of up to 15 days of catastrophic leave.
5. If the participant is incapacitated, the participant's agent or member of the immediate family may submit the application.
6. To access a withdrawal, members must apply in writing on the appropriate form, to the Governing Committee. The Committee shall meet within 5 working days to consider the request and shall notify the member of the Committee's decision in writing within 5 days of the meeting.
7. A qualifying member whose request is denied may file a written appeal with the Chapter's Executive Board within 10 working days of receipt of the denial. The Chapter Executive Board shall hold a hearing within 10 working days and shall issue a confidential written decision to the applicant within 5 days of the hearing. The Executive Board's decision is final and non-grievable under the grievance section of this Agreement. If the participant is incapacitated and unable to attend the hearing, the participant's agent or member of the family may file the appeal and/or attend the appeal hearing.
8. If the Bank does not have sufficient hours to fund a withdrawal request, neither the District nor the Chapter or any of its affiliates is under any obligation to provide the days/hours. If the Committee determines that the request is valid, it may, at its discretion, fund up to the amount remaining in the Bank, at which time the Governing Committee must make the determination whether to make an assessment of the current members or permanently cease operation. If the Governing Committee denies or partially funds a request solely on the basis of lack of day/hours remaining in the Bank the Governing Committee shall notify the applicant of that fact in writing within 5 working days of the Committee's decision.

- 14.4.1 A member of the unit may use sick leave if physically disabled and unable to render service to the District as a result of the pregnancy.

- 14.5.4 Employees on leave without pay shall not earn sick leave or service credit.

Up to a maximum of one (1) day Leave of Absence may be used for a person who is “of a close relationship” to the unit member. The relationship must be proven.

#### 14.7 MILITARY LEAVE

14.7.1 The tenure status of a member of the unit shall not be affected by virtue of his or her induction or call to active duty in any branch of the Armed Forces of the United States of America or the State of California.

14.7.2 Any employee who is on temporary military leave of absence and who has been in the service of the public agency from which the leave is taken, for a period of not less than one (1) year, immediately prior to the day on which the absence begins, shall be entitled to receive his/her salary or compensation as such public employee for the first thirty (30) calendar days of any such absence. Temporary Military Leave of Absence means a leave of absence from public employment to engage in ordered military duty for a period which, by the order, is not to exceed one-hundred-eighty (180) calendar days including travel time.

14.7.3 Such absence does not affect classification and does not constitute a break in service, although he/she may not count such absence as part of the service required as a condition precedent to permanent classification.

14.7.4 Upon return from military service, within six (6) months, the employee is entitled to his/her former position at a salary he/she would have received had he/she not been in military service.

14.7.5 During Reserve Corps and National Guard emergency military service periods, the time for which is ordered by the President of the United States or the Governor of California, the member of the unit will be granted leave as necessary.

#### 14.8 JURY DUTY OR WITNESS LEAVE

Leaves of absence shall be granted employees regularly called for jury duty, or under an official order to appear as a witness in court (other than as a litigant), or to respond to an official order from another governmental jurisdiction. The school district will pay the member of the unit the difference between his/her regular salary and the amount he/she receives for witness or jury fees.

When appearance in court as a litigant is necessary, the member of the unit may use personal necessity leave as provided in this article.

#### 14.9 INDUSTRIAL ACCIDENT LEAVE

14.9.1 An industrial accident or illness as used in this section is defined as illness or injury which qualifies under State Workers' Compensation Insurance as being work connected.

14.9.2 Industrial accident or illness leave up to sixty (60) days per accident/illness shall be granted to an employee covered by this Agreement.

14.9.3 When entitlement to industrial accident or illness leave under this section has been exhausted, entitlement to sick leave, vacation or other paid leave may then be used. If, however, an employee is still receiving temporary disability payments under the Workers' Compensation Leave of this State at the time of exhaustion of Leave benefits under this section, he/she shall be entitled to use only so much of accumulated and available normal sick leave and vacation leaves, which, when added to the Workers' Compensation award, provides for a day's pay at the regular rate of pay. When all paid or unpaid leaves of absence have been exhausted following an industrial accident or illness, the employee's name shall be placed on the reemployment list for the class from which he/she was on leave for a period not to exceed thirty-nine (39) months.

14.9.4 An employee may be deemed to be recovered from an industrial accident or illness and thereby able to return to work at such time as the employee and the employee's physician agree that there has been such a recovery. However, the district reserves the right to require a corroborative medical opinion at the District's expense and to deny the right if such opinion is not in agreement with the employee's physician.

14.9.5 Allowable leave shall not be accumulated from year to year.

14.9.6 Industrial accident or illness leave will commence on the first day of absence.

14.9.7 Industrial accident leave will be reduced by one day for each day of authorized absence regardless of a compensation award made under Workers' Compensation.

14.9.8 When an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the employee shall be entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred.

14.9.9 Whenever possible, the District will make a reasonable accommodation to place an injured employee on an early return to work program. Said placement shall be in accordance with the District's policies and any applicable law concerning injured workers including the Americans with Disabilities Act.

#### 14.10 MISCELLANEOUS LEAVE MATTERS

14.10.1 Absence under paid leave shall not be considered a break in service, and all benefits accruing under the provisions of this Agreement shall continue to accrue under such absence. An unpaid leave shall not accrue other benefits provided under the provisions of this Agreement during the period of the leave.

#### 14.11 FAMILY MEDICAL LEAVE ACT

The Family Medical Leave Act shall be available to all bargaining unit members who qualify under the provisions of the Act. All other requests may be considered on a case by case basis.

#### 14.12 STATE DISABILITY INSURANCE (SDI)

The District's participation in the State Disability Insurance (SDI) program shall be subject to applicable law and program requirements. The first seven days of a unit member's SDI claim is a non-payable waiting period, however, the employee may request to use accrued sick leave, vacation, and other paid leaves in order to remain in paid status during the seven (7) day waiting period.

After the seven (7) day waiting period, and assuming the claim is awarded, the employee may request to use sick leave, vacation, and other paid leaves in order to supplement their income through disability payments in accordance with applicable law and requirements. To the extent permitted by applicable law, leaves used to supplement an employee's SDI benefit will be reduced only by the proportion necessary to maintain the employee at 100% of their regular pay. To the extent permitted by applicable law, employees who exhaust their regular sick leave may use differential/extended sick leave for supplemental purposes.

This grievance procedure shall be used to process and resolve grievances arising under this agreement.

- a) To equitably resolve grievances informally at the lowest possible level.
- b) To provide an orderly procedure for reviewing and resolving grievances promptly.
- c) Neither the District nor the Association shall unlawfully discriminate against any unit member with respect to the application of any specific provision contained in this Agreement on the basis of race, color, creed, age, gender, national origin, marital status, pregnancy, sexual orientation, religion or disability.

It is recognized that any unit member may elect to pursue a charge of discrimination through contract procedures or that of an outside governmental agency such as the Department of Fair Employment and Housing (DFEH) or Equal Employment Opportunity Commission (EEOC).

It is understood to be in the interest of the District and the employees for resolving issues of alleged discrimination in a manner that is impartial, and of least disruption to District operations, therefore the following provisions will be utilized when an employee' claim of discrimination is provided to the District.

- 3. If the employee elects to utilize an outside agency such as those listed above (or their successor) for addressing an allegation of discrimination, the time lines for filing a grievance will be suspended until the agency has provided acknowledgement to the employee that its investigation has been completed. If findings of the investigating agency supports the employee' claim and the agency decision is to pursue the claim, the employee and the District shall be bound by terms of the administrative forum empowered to issue corrective action of the claim and there will not be allowance for contract grievance filing.

4. In the event the outside agency fails to issue a determination for sustaining the allegation of discrimination, or fails to act on the employee complaint, the employee may elect to seek corrective action through the grievance procedure. ## **ADDENDUM**

## **YEAR ROUND EDUCATION ADDENDUM**

### **To The Master Collective Bargaining Agreement Between California School Employees Association (CSEA) Chapter 454 and Travis Unified School District (TUSD)**

#### **1.0 PREAMBLE**

##### **1.1 Scope**

The parties recognize that some factors that relate to year-round education scheduling and are within the scope of bargaining may not have been identified. Should problems arise because of such unanticipated factors, the parties shall resolve differences through additional negotiations.

This article will apply any time a traditional school is converted to a year-round school or returns to a traditional calendar.

#### **2.0 CONVERSION**

##### **2.1 Rate of Pay**

The salary schedules for classified employees for this year and subsequent years are set through the negotiation process and are defined in Appendix A of current Master Agreement.

Employees assigned to a year-round site, in a twelve-month position, shall be paid over twelve monthly pay periods for each school year and will earn vacation, holidays, and sick leave as twelve-month employees.

No employee who is assigned to a YRE site shall suffer a loss in pay or benefits as a result of that assignment. In addition, employee assignment shall be adjusted as necessary to guarantee no loss of wages or benefits.

##### **2.2 Calendar**

Format

- a) The form of year round education shall be as adopted by the Board of Education. The work year calendar for 12 month employees, including holidays, shall be subject to negotiation with the Association.
- b) If additional days are added to the traditional calendar through legislation and/or negotiations, the YRE calendar will be adjusted accordingly.

- c) The District shall attempt to establish a joint committee with the District's other bargaining units to discuss proposed changes to the YRE calendar.
- d) The annual YRE school calendar shall be adjusted jointly with the District's chief personnel officer and the Association unless a joint committee of all bargaining units can be formed to discuss the calendar and related issues. Final approval of any calendars coming from any joint committee shall not be considered final until approved in the normal process.

### **2.3 Visitations**

Each time a traditional calendar school is converted to a YRE calendar, representatives from that site will be released from work to do District organized visitations to another YRE school or schools. Except for the conversion of Foxboro Elementary School, this shall take place prior to April 1 of the year preceding the conversion.

### **2.4 Incumbents**

When Year-Round Education (YRE) additional hours, days, weeks or months are assigned to a position on a regular basis, those hours, days, weeks or months shall be offered first to the incumbent employee.

### **2.5 Job Shares**

If a site converts to YRE, a unit member whose position increases to a 12-month position at the converting site may share up to two months of their job with another unit member who has a different and compatible duty schedule. The site administrator and the employee assigned to the YRE site must mutually agree upon the job share. It must be requested in writing to the site principal and the Personnel Office at least two months prior to its proposed commencement. The recruitment of a job share partners is the sole responsibility of the unit member. If the employee cannot obtain an acceptable job share partner, he or she must either work the assigned calendar or use the transfer options as specified below.

The job share is renewable at the discretion of all parties on a year-to-year basis.

The District may terminate a job share at any time for good cause as defined in Article 21.3 of the Master Agreement. Nothing in this language is intended to grant permanent preference to an employee or create any job rights beyond this specific language.

## **2.6 Calendars**

The unique need for support staff levels at YRE schools may cause less than 12-month employees to be offered different work calendars. These may be in the form of:

- a) Conversion to 12-month employees.
- b) A “rainbow” calendar – same number of work days but with different workdays individually established to equally span all tracks. Such calendars will be individually negotiated with the employee to allow for satisfactory off track periods. Employees may request union representation to assist them in this process.
- c) Assignment to a specific track.

The district will determine the specific option offered.

## **2.7 Track Selection**

## **2.8 One Time Transfer**

If an employee affected by a conversion to a YRE calendar elects not to remain at the converting site, by May 1 of the year preceding implementation, the employee may submit a written request for transfer. The employee will have a “one-time” opportunity, based upon classification, to transfer to an open position at another site that is on either a traditional calendar or single-track YRE calendar. The open position must be the same number of hours per week. If more than one employee of the same classification requests a transfer, the employees will interview for the open position.

If no position in that classification is currently open, the district shall post the position at the converting site as a “position open for exchange”. Employees of the same classification at other sites may apply for the exchange. The two site administrators shall interview all applicants.

Selection shall be a qualifications and seniority based system to include evaluations, performance, attendance, and interview. If two or more candidates are equal regarding criteria, the applicant with the greatest seniority shall be offered the position.

Any employee who has been rejected for such a position, shall be given the reasons for

such rejection in writing, if the employee so requests, within five (5) working days.

If no one applies for the exchange position, the employee shall remain in place until an equivalent position becomes available.

If a vacancy is believed to be improperly filled or if the District has acted arbitrarily, unreasonably or capriciously, the informal discussion of the grievance procedure shall be with the District's chief personnel officer and any formal grievance shall be initiated at Level 2. The vacancy shall be considered not permanently filled until resolution of the grievance.
