California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Foxboro Elementary is a school for all learners. As we begin our 25th year, we feel proud of the many accomplishments and traditions established at Foxboro. The high academic and behavioral expectations for our students and staff attract families to Foxboro. Students benefit from the interdependent relationships with adults. Our success is the result of intensive collaborative efforts of administration, staff, parents, students, and community members. Due to Foxboro's excellent reputation, families relocating to the area actively seek out homes in the Foxboro attendance boundaries. Families quickly become immersed in the culture of the school and participate in annual Parent Teacher Association (PTA) events such as the Harvest Festival, Pastries for Parents, and Kite Night. These events bring parents and students to campus and build a sense of community. Our award-winning Foxboro garden was established by the PTA and continues to thrive and present students with learning opportunities. In a safe, secure, and nurturing environment, Foxboro Elementary supports students as they are taught a well-rounded Common Core standards-based curriculum.

School Description and Mission Statement (School Year 2017-18)

School Description

Foxboro Elementary School is located in Vacaville, situated midway between San Francisco and Sacramento in northern Solano County. The City of Vacaville, incorporated in 1892 and currently comprising just under 27 square miles, has a beautiful setting bordered by rolling hillsides, fruit orchards and fertile farmland. A diverse population of 100,000 residents calls Vacaville home, and has helped transform the community from a small agricultural town into a thriving and progressive city. While the City's population history shows its rapid growth, Vacaville remains a "small town at heart," whose residents pride themselves on a high level of community involvement.

Foxboro Elementary School is one of five elementary schools in Travis Unified School District, which also includes one middle school, one high school, a community day school, and an alternative education center.

Mission Statement

The Foxboro school community is committed to creating a school family that knows No Limits to the success of each student. We believe all students deserve to be educated in a manner that will allow them to learn about and attend college if they so choose. Our students and staff strive to develop future leaders through our core values of respect, responsibility, and safety. Our school is a safe, caring and supportive environment that establishes high expectations for student success in collaboration with families.

School Facility Conditions and Planned Improvements

Foxboro Elementary School's campus was originally built in 1993 and contains 34 classrooms, one library, a gym/multipurpose room, one staff room, and two playgrounds. At the time of publication, 100% of restrooms were in good working order. The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. There are no major deficiencies at this site. The items noted in the table have been corrected or are in the process of remediation.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Students Receiving Migrant Education Services				
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

Parents play an important role at Foxboro Elementary School through active participation and involvement in the School Site Council, PTA, Watch D.O.G.S. (Dads of Great Students), and volunteering in classrooms.

Our PTA Board meets monthly with general membership meetings at least three times per year. The PTA supports students, teachers, and classrooms by donating time and funds to teacher grants, classroom activities, the school garden, and school beautification projects. The PTA sponsors honored traditions throughout the school year such as Harvest Festival, Penny Drive, Kite Night, and Pastries for Parents. Our PTA is integral to welcoming all of our new Foxboro students to the school family at the beginning of the year and all year long!

The Watch D.O.G.S. are dads and dad-figures who volunteer their time before, during, and after school. They work with students in classrooms and at recess as well as assisting in campus supervision. Watch D.O.G.S. actively support Foxboro's involvement in several Safe Routes to School activities such as International Walk to School Day and National Bike to School Day. Foxboro Elementary School benefits from partnerships with local businesses and services including Target, Round Table Pizza, Chevron, Genentech, Southwest Airlines, Raley's, Travis Air Force Base, and Wells Fargo Bank.

School Safety Plan (School Year 2017-18)

The safety of students and staff is a primary concern of Foxboro Elementary School. The School Site Safety plan was developed in partnership with the Vacaville Police Department and is evaluated and revised annually by the principal, Foxboro Safety Committee, and the School Site Council. School staff is trained annually on the current School Safety plan. Key elements of the Safety Plan include the school's physical and social environments as well as the Emergency Response Teams to be activated in the event of a large scale incident. Included within the plan are the Protocols that will be followed in the case of an emergency. These protocols have been communicated to the school community through school communications as well as by Vacaville Police Department School Resource Officers at evening parent meetings. Foxboro is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire and disaster drills are conducted throughout the school year on at least a monthly basis. Students are supervised throughout the day by teachers, staff, and noon duty supervisors. All visitors to the school must sign in first at the school office and wear a visitor's badge, which is a new color every day.

Types of Services Funded (Fiscal Year 2016-17)

Travis Unified receives Local Control Funding Formula (LCFF) funding from the state. Part of this funding is Supplemental Grant Funding (SGF) which is used to meet the needs of low income students, English learners, foster youth, and homeless children. In addition, we receive Title I funding, which is used at the middle school to provide targeted instruction for struggling students. Title I funding is also used for professional development. We receive Title II funding for professional development, and Title III funding to support English learners. We also receive some funding for Special Education.

With LCFF, districts are required to develop, adopt, and annually update a three year Local Control and Accountability Plan (LCAP). The LCAP and budget must demonstrate how the district is using funds to address the eight state priority areas and improve outcomes for all students as well as specific student subgroups. The eight state priority areas are student achievement, implementation of state standards, student engagement (attendance and dropout rates), school climate, parent involvement, basic services, course access, and other locally determined student outcomes.

Professional Development

Staff members have a variety of opportunities for professional development. We have a full day of professional development in October, plus a variety of workshops throughout the year. Teachers received training in technology (including website development), English Language Arts / Math strategies, Multi-Tiered Systems of Support, and Special Education processes. Teachers worked in PLCs (teacher work teams) and curriculum development groups to develop pacing guides, align curriculum to standards, and to develop assessments. Additionally, elementary administrators and teachers attended "No Excuses University" training. Kagan Cooperative Learning workshops were offered during the summer.
