School Accountability Report Card Reported Using Data from the 2017—18 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Mr. Mark Pennington, Principal

 Principal, Scandia Elementary

About Our School

Welcome to Scandia Elementary School! Scandia serves approximately 570 students in Kindergarten-6th grade.

Scandia has been recognized as a California Distinguished School FOUR times as well as a California Gold Ribbon School. Scandia continues to be an outstanding example of quality teaching and learning.

With our student demographics reflecting nearly 100% active duty military students, we have a variety of programs in place to support the unique needs of our military families.

We work closely with the leadership of Travis Air Force Base and the Airman and Family Readiness Center to meet the needs of our students and families.

About Mr. Pennington, Scandia's Principal

Mr. Pennington came to Scandia from Center Elementary where he was principal for several years. He was a teacher at Cambridge Elementary and in the military prior to becoming a principal.

School Description and Mission Statement (School Year 2018—19)

School Vision

Scandia Elementary School exemplifies a community of learners where staff and parents continue to learn along with our students. As a staff, we strive for a positive learning environment with teamwork as a foundation. With our demographics reflecting nearly 100% military students, Scandia Elementary School strives to support students and families through the transition process socially, emotionally and academically. Smiling faces and supportive comments are the norm with students, staff and parents interacting with respect and working together as a team to help children achieve success. Our school motto is "Celebrating Our Freedom to Learn".

School Mission

Scandia Elementary is committed to providing a comprehensive educational program in a safe learning environment. Our mission is to have all students know, understand, and be able to demonstrate proficiency of the grade level standards set forth by the State of California and adopted by Travis Unified School District. The school strives to enhance children's self-esteem, promote cooperation and communication among the children and adults, and build conflict resolution skills.

School Facility Conditions and Planned Improvements

The school has just completed a major renovation project. All existing classrooms have been completely modernized from an open concept to self-contained classrooms. The site now has a new building containing a new administration section, a modern 10,000 square foot multi-purpose room/food service facility, and another new building with six additional classrooms. The school's library media center has been completely renovated and relocated, as well as the computer lab. Also, all school facilities have been upgraded to be ADA compliant.

The principal works daily with the custodial staff to ensure that cleaning is maintained to provide for a clean and safe school. The supervisor of maintenance and operations coordinates in-service training for the custodial staff. Currently the district has no specific policy on cleaning requirements and has adopted the CASBO Custodial Handbook and applied the cleaning standards and care of equipment for this purpose. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and highest priority is given to emergency repairs. Facilities Master Plan Policy (BP 7110) and the Environmental Safety Policy (BP 3514) guide the maintenance and repair protocols for the district.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2016—17	School 2017—18	District 2016—17	District 2017—18	State 2016—17	State 2017—18
English Language Arts / Literacy (grades 3-8 and 11)	59.0%	55.0%	56.0%	57.0%	48.0%	50.0%
Mathematics (grades 3-8 and 11)	56.0%	48.0%	41.0%	42.0%	37.0%	38.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018—19)

Parents play an important role at Scandia Elementary School through active participation and involvement in the School Site Council, Watch D.O.G.S., and the Parent Teacher Association (PTA). The PTA sponsors fundraisers throughout the year, and funds class field trips and the Fall and Spring festivals. Parents are also welcome to volunteer in classrooms and for school activities. Scandia Elementary School also has a parent on the Superintendent's Parent Advisory Group. Scandia Elementary School also works closely with the Youth Center, Base Liaison, and the Airman and Family Readiness Center who assist in problem solving and help host presentations for students by the Base Fire Department, the USAF Band of the Golden West, Hispanic Airmen Association, and Native American Airmen Association.

School Safety Plan (School Year 2018—19)

The safety of students and staff is a primary concern of Scandia Elementary School. The School Site Safety plan is evaluated and revised annually in the winter by the School Site Council/Safety Committee; the revisions are then shared with the entire staff. Key elements of the Safety Plan are the school's physical environment, social environment, cultural environment, and the Emergency Response Team. Scandia Elementary School maintains a disaster preparedness plan and a crisis intervention plan that outlines steps to be taken to ensure student and staff safety during a disaster or crisis. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire and disaster drills are conducted on a regular basis throughout the school year. Students are supervised throughout the day by teachers and noon duty supervisors. All visitors to the school must sign in first at the school office and receive a visitor's badge.

Types of Services Funded (Fiscal Year 2017—18)

Travis Unified receives Local Control Funding Formula (LCFF) funding from the state. Part of this funding is Supplemental Grant Funding (SGF) which is used to meet the needs of low income students, English learners, foster youth, and homeless children. In addition, we receive Title I funding, which is used at the middle school to provide targeted instruction for struggling students. Title I funding is also used for professional development. We receive Title II funding for professional development, and Title III funding to support English learners. We also receive some funding for Special Education.

With LCFF, districts are required to develop, adopt, and annually update a three year Local Control and Accountability Plan (LCAP). The LCAP and budget must demonstrate how the district is using funds to address the eight state priority areas and improve outcomes for all students as well as specific student subgroups. The eight state priority areas are student achievement, implementation of state standards, student engagement (attendance and dropout rates), school climate, parent involvement, basic services, course access, and other locally determined student outcomes.

Professional Development

Staff members have a variety of opportunities for professional development. We have a full day of professional development in October, plus a variety of workshops throughout the year. Teachers received training in technology (including website development and ADA Accessibility training), English Language Arts / Math strategies, Multi-Tiered

Systems of Support, and Special Education processes. Teachers worked in PLCs (teacher work teams) and curriculum development groups to develop pacing guides, align curriculum to standards, and to develop assessments. Additionally, elementary administrators and teachers attended "No Excuses University" training.
