SCHOOL SAFETY PLAN

Travis Unified School District
2751 De Ronde Drive
Fairfield, CA 94533

Scandia Elementary School

Principal: Sandra Rushford

Approval Date: February 7, 2023

SECTION 1 – CALIFORNIA EDUCATION CODE SECTION 32281 (B)1), (B)(2)

The school has partnered with local law enforcement and community responders to develop our Standard Response Protocol for threats such as active shooter, air pollution/chemical release, bomb threat, civil disturbance on campus, earthquake, fire, evacuation, severe windstorm/tornado, lockdown, lockout and threat of explosion/gas leaks/aircraft accident.

Our goal is to use a Standard Response Protocol to practice simple responses to emergency situations. Staff members have been trained in emergency response and hold regular drills with students. Precautionary measures are used to secure buildings such as fencing, security cameras and visitor sign in.

The School Safety Plan was written and developed by the [EC Section 32281 (b)(1) and 32281 (b)(2)]:

SECTION 4 – CALIFORNIA EDUCATION CODE SECTION 32282 (A)(2)

The comprehensive school safety plan includes, but is not limited to all of the following [EC Section 32282 (a)]: Identify appropriate strategies and programs that provide and maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety [ED Section 32282 (a)(2)]:

Our school has implemented the following programs and strategies to maintain a high level of school safety:

Scandia Elementary School Staff are committed to providing students a safe and productive learning environment. Safety is our number one priority. Over the past few years, as a site team we have implemented safety systems that strategically address safety needs in the area of student and staff physical safety, socio-emotional safety, and school facilities.

School Facilities:

- Our school facilities are maintained by Travis Unified School District maintenance and leadership to ensure that our site meets safety guidelines and regulations in the school site and district safety plans.
- Moreover, our custodians are key members of the plan reviewing site needs regularly and touring the school with the school administrator to discuss on-going projects, areas of concern, and the progress of work orders.
- Both day and evening custodians work diligently to ensure that all classrooms, and school meeting areas are clean and in good working order. When there is a facility concern, staff report to site custodian and office staff for a work order to be placed that day. The work orders are routinely reviewed for completion.
- Alarm Tech Security System has been installed and utilized daily.
- Safety lock blocks have been added to classroom doors.
- School site distributes a site building master key to designated staff.
- School site has modified locking system to enable site staff to lock/unlock Building 2, and Wings A, B, C, and D.
- Larger scale improvement projects are communicated to district administration and followed through as funds allow.

Staff/Student Physical Safety

- Scandia Elementary School partners with the Travis Air Force Base Security Forces periodically and Fire Safety staff to practice drill procedures monthly. We practice: Fire, Earthquake, and Lock Down drills to be ready for emergency situations. We practice with the entire school community using the terminology Lock Out (Perimeters are locked, but business as usual within classrooms) and Lock Down (Doors are locked, lights are off, and students/staff are hidden). We have drills that are communicated in advance as well as unannounced so that we will be ready in the case of an emergency.

- Each module is equipped with a radio within a designated classroom to quickly verify the status of their section during drills and in emergency situations.
- Every classroom has a staff computer to verify their status of their classroom for emergency drills.
- Each module has a designated charged laptop cart to access.
- Staff communicate with the office through our phone system and by email when there is a health concern or emergency.
- Lunch supervisors and our student support specialist use radios to ensure site safety during lunch and recess times.
- The office staff and administration have radios on at all times to monitor site needs and maintain a safe campus.
- Key NCI trained staff use radios to communicate when needed and maintain a safe campus.
- Students are supervised by site staff before and after school as well as at every recess. We have a school rotation to ensure that all entrances/exits of the school are supervised daily. Students follow safe school practices when walking in the hallways and entering and leaving the school.
- All visitors to campus are asked to sign in directly at the front office on the paper log.
- Volunteers sign in on the paper log and on the district CERVIS computer. This provides us an accurate record of visitors to our campus. All visitors to campus are asked to place a colored sticker on their upper body identifying them as an approved campus visitor.
- Through school newsletters, and the automatic phone dialer, school and district website and Facebook page; parents are informed of areas of concern and constructive solutions that help our school community partner together for student safety. These include traffic patterns, honoring cross walks, parking in designated areas, driving at safe speeds around campus, and keeping an eye out for all students to and from school. Orientation at the beginning of the year is used to inform parents of safe school practices.
- Scandia school LVN and DO nurse have established a medical cart to be brought to the emergency location and is housed at the main office - nurses office.
- Emergency Binders are updated by school LVN and located in medical cart.

Socio-Emotional Safety

- Our school values and the character traits we teach our students regularly what it is to be responsible, trustworthy, respectful, fair, caring, and good citizen. Our mission is for the Scandia School Community to be committed to student learning, in a safe and nurturing environment, where everyone is held to high expectations and strives to reach their maximum potential.
- To achieve our mission, we teach the character traits and address the socio-emotional and academic needs of every child.
- We have a unified school Positive Behavior Intervention and Support system that includes common classroom management plans, weekly communication from teachers and administrators, recognizing students for displaying our school character traits showing responsibility, trustworthiness, respect, fairness, caring, and citizenship. We recognize students who exhibit these traits with Sabre Celebrations awarded when observed celebrating and recognizing these traits.
- Scandia site PBIS and Leadership teams support ongoing SEL needs of the school with a school wide PBIS focus of We Are Respectful, We Are Responsible and We Are Safe

- Each classroom conducts classroom character and weekly Second Step (Social Emotional Learning) lessons.
- First Step Next is a program available for selected Kindergarten students to improve safety and redirection.
- Each class has a break space in their grade level module to support students who may find themselves overwhelmed. In addition, to a site Mindfulness/Wellness classroom utilized by our SSS and TOSA.
- We have a school social worker (if needed), intervention specialist, behavior support specialists, School Psychologist, Military Family and Life Counselor (MFLC), and a student support specialist on staff to additionally provide support to students and staff. We believe in a team approach to support students, staff, and families.
- We conduct Student Study Team meetings when students are not making typical progress. We conduct SART and SARB meetings to address attendance concerns and support students being present on time and every day. Daily phone notifications are utilized to notify parents of absences.
- Our District Behaviorist conducts staff training to help accommodate and address our students' needs when they arise in the classroom. Staff have been trained in NCI de-escalation strategies to help implement when they are needed. Our staff is supportive and nurturing seeking to help all of our students maintain and gain a positive learning experience in a safe environment.
- School administration is in communication with the Travis AFB School Liaison and our Travis AFB Youth Center Program Director.
- Scandia Elementary participates in Anchored for Life to support our military students experiencing different transitions.
- PTA helps maintain a school climate and culture that is conducive to a safe school environment by hosting student and community events on and off campus (per Covid Protocol).
- School Site Council members review the safe school plan and give feedback that is useful in maintaining a safe school environment.

This Safety Plan was communicated to the public at a public meeting held at the school site on **December 6, 2022** [EC Section 32288 (b)(1)]

TUSD EMERGENCY RESPONSE PROCEDURES

Active Shooter: Sounds of gunfire. Announcement may be made over intercom.

- Try to remain calm, listen to ascertain if active shooter is within your vicinity, and determine whether to Run, Hide, or Fight.
- **Run:** If there is an escape path, attempt to evacuate yourself and students. Leave your personal belongings behind.
- **Hide:** If evacuation is not possible, hide. Lock and/or blockade the door. Close the blinds. Silence your cell phone and direct your students to do as well. Hide behind large objects. Remain very quiet.
- **Fight:** As a last resort, and only if you and your students' lives are in danger, attempt to incapacitate the shooter. Act with physical aggression. Improvise weapons.
- **When law enforcement arrives:**
 - Remain calm and follow instructions.
 - Keep your hands visible at all times.
 - Avoid pointing or yelling.
 - Know that help for the injured is on its way.

Air Pollution/Chemical Release: Announcement will be made over intercom.

- Staff will be notified to discontinue all athletic activity on campus.
- Call parents and dismiss students who are susceptible to respiratory problems.
- Turn off air intake systems by custodial staff or emergency responders.
- Follow shelter-in-place instructions (such as close doors/windows), if applicable.

Bomb Threat: Fire alarm will signal evacuation.

- Follow evacuation procedures.
- Students may return to class only when given the "All Clear" signal.
- **Students or staff may not remove any suspicious objects.**

Civil Disturbance on Campus: Announcement will be made over intercom.

Such an event would most likely occur if a large number of students caused a disturbance and refused efforts of administrators and teaching staff to maintain order. The following will take place:

A civil disturbance situation will be announced.

- Police will be contacted.
- Move disturbance to an isolated area, if possible. The administration will meet with concerned parties.
- Daily instruction will continue. Staff should attempt to persuade all uninvolved students to go to class. Teachers who have students in class will keep them until further notice.

Earthquake: Ground will start shaking. For drills: announcement will be made over intercom.

- Implement "Duck, Cover and Hold" (students and staff should take protective positions under desks or tables away from and with backs to windows).
- Fire alarm will sound if students need to be evacuated (see fire procedures).
- Students may return to class only when given the "All Clear" signal.

Evacuation/Fire: Fire alarm will signal. Specific information may be relayed by intercom, if applicable.

- Fire alarm will signal evacuation unless inoperable. A bullhorn or messenger will be used if the alarm is not functioning.
- Teachers will direct students to the evacuation area(s). Teachers will be the last person out of the room and will bring their roll books.
- Students are to line up by class (according to evacuation map) in a straight line during the entire emergency.
- Teachers are to take attendance quickly and return to the front of the line to account for missing students. Implement colored card coding system once attendance is taken.
 - **Green Status Card:** Everyone is ok and accounted for.
 - **Red Status Card:** Missing or extra student(s). Report missing students to administration.
 - **Red Cross on White Status Card:** Medical Attention Needed.
- Students may return to class only when given the "All Clear" signal.
- Students are not to be released unless instructed to do so by administration.
- Parent staging area should be established and communicated.

Lockdown – Police Activity in the area or Threatening Individual/Violent Intruder: Announcement – "Lockdown" will be made over the intercom.

Procedure when students are outside:

- Teachers should direct students into any available classroom.
- If students scatter and run, teachers are to let them go.
- Staff will follow site Accountability Check of students outside or off campus.

Procedure when all students are in class:

- Teachers should check immediately outside their room to escort any students into their class.
- PE teachers are to direct their students to an indoor location.
- Teacher should lock the door, close and lock all windows, draw blinds, close drapes and turn off lights.
- Staff will complete site Accountability Check of all students in a designated classroom.
- If safe to do so, monitor e-mail for possible updates or further instructions.

Severe Windstorm/Tornado "FLOOD": Announcement will be made over the intercom including words "SEVERE WINDSTORM" or "TORNADO WARNING."

- All students remain in classrooms. If students are outside, they should report to class. If this emergency occurs at lunch, all students will go to open rooms (multiuse room, gymnasium).
- Teachers should shut all blinds and drapes. Do not close windows all the way.
- Students should stay away from windows and should turn their backs to them.
- Refrain from touching any downed electrical wires.
- If "**FLOOD**" occurs prior to schools opening, "School Messenger" will send out information.

Threat of Explosion/Gas Leaks/Aircraft Accident: Announcement will be made over the intercom.

- A Duck and Cover Command will be issued, or evacuation will be ordered with the fire alarm, depending on the situation.

- In the event of gas leak, teachers will be instructed to close all windows and to wait for further instructions.
