School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Facility Conditions and Planned Improvements

Golden West Middle School's campus was originally built in 1964. The school currently contains 40 classrooms, one library, two computer labs, a gym/multipurpose room, one staff room, blacktop area for tennis, basketball courts, soccer fields, and softball fields. At the time of publication, 100% of the restrooms were in working condition. Facilities information is current as of October 2019.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The roof is currently under renovation in Building B. The items noted in the table have been corrected or are in the process of remediation.

Cleaning Process

The principal works daily with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The Director of Maintenance and Operations coordinates in-service training for the custodial staff. Each classroom has trash removed daily and is fully cleaned on a scheduled rotation. Outside maintenance is done on a regular basis or as needed. Currently, the district has no specific policy on cleaning requirements and has adopted the CASBO Custodial Handbook and applied the cleaning standards and care of equipment for this purpose.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and emergency repairs are given the highest priority. Facilities Master Plan Policy (BP7110) and the Environmental Safety Policy (BP 3514) guide the maintenance and repair protocols for the district.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	58.0%	61.0%	57.0%	56.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	39.0%	43.0%	42.0%	42.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019—20)

Parents play an important role at Golden West Middle School through active participation and involvement in the Parent Teacher Student Association (PTSA), School Site Council (SSC), Safety Committee, Safe School Ambassadors, Watch D.O.G.S. (Dads of Great Students), Music Booster Club and the English Learner Advisory Council (ELAC). Golden West Middle School also benefits from donations and partnerships with local businesses and services, including Target, Macy's, Wal-Mart, Wells Fargo Bank and the Travis Spouses Club. In addition, parents also participate in monthly parent workshops that provide parents with additional resources and supports.

Contact Information

Parents who wish to participate in Golden West Middle School's leadership teams, school committees, school activities, or become a volunteer may contact the school at (707) 437-8240.

School Safety Plan (School Year 2019—20)

Safety of students and staff is a primary concern of Golden West Middle School. The School Site Safety plan is evaluated and revised annually by the administrators and the Safe School Committee; the revisions are then shared with the entire staff. Key elements of the Safety Plan are the school's physical environment, social environment, cultural environment, and the Emergency Response Team. Included within the School Site Safety Plan is a disaster preparedness plan, outlining steps to be taken to ensure student and staff safety during a disaster. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire and disaster drills are conducted on a regular basis throughout the school year. Students are supervised throughout the day by four full-time campus monitors, two Student Support Specialists, and two administrators. During lunches, four additional noon duty supervisors assist in monitoring students. All visitors to the school must sign in and out at the main office and receive a name tag, which must be worn at all times while on campus.

Types of Services Funded (Fiscal Year 2018—19)

Travis Unified receives Local Control Funding Formula (LCFF) funding from the state. Part of this funding is Supplemental Grant Funding (SGF) which is used to meet the needs of low income students, English learners, foster youth, and homeless children. In addition, we receive Title I funding, which is used at the middle school to provide targeted instruction for struggling students. Title I funding is also used for professional development. We receive Title II funding for professional development, and Title III funding to support English learners. We also receive some funding for Special Education.

With LCFF, districts are required to develop, adopt, and annually update a three year Local Control and Accountability Plan (LCAP). The LCAP and budget must demonstrate how the district is using funds to address the eight state priority areas and improve outcomes for all students as well as specific student subgroups. The eight state priority areas are student achievement, implementation of state standards, student engagement (attendance and dropout rates), school climate, parent involvement, basic services, course access, and other locally determined student outcomes.
