Principal: Brian J. Howard

Approval Date: February 12, 2019

SECTION 1 – CALIFORNIA EDUCATION CODE SECTION 32281 (B)1, (B)(2)

The school has partnered with local law enforcement and community responders to develop our Standard Response Protocol for threats such as active shooter, air pollution/chemical release, bomb threat, civil disturbance on campus, earthquake, fire, evacuation, severe windstorm/tornado, lockdown, lockout and threat of explosion/gas leaks/aircraft accident.

Our goal is to use a Standard Response Protocol to practice simple responses to emergency situations. Staff members have been trained in emergency response and hold regular drills with students. Precautionary measures are used to secure buildings such as fencing, security cameras and visitor sign in.

The comprehensive school safety plan includes, but is not limited to all of the following [EC Section 32282 (a)]: Identify appropriate strategies and programs that provide and maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety [ED Section 32282 (a)(2)]:

Our school has implemented the following programs and strategies to maintain a high level of school safety:

Travis Elementary School Staff are committed to providing students a safe and productive learning environment. Safety is our number one priority. Over the past few years, as a site team we have implemented safety systems that strategically address safety needs in the area of student and staff physical safety, socio-emotional safety and school facilities.

School Facilities:

- Our school facilities are maintained by Travis Unified School District maintenance and leadership to ensure that our site meets safety guidelines and regulations in the school site and district safety plans.
- Moreover, our custodians are key members of the plan reviewing site needs regularly and touring the school with the school administrator to discuss on-going projects, areas of concern, and the progress of work orders.
- Both day and evening custodians work diligently to ensure that all classrooms, and school meeting areas are clean and in good working order. When there is a facility concern, staff report to site custodian and office staff for a work order to be placed that day. The work orders are routinely reviewed for completion.
- Larger scale improvement projects are communicated to district administration and followed through as funds allow.

Staff/Student Physical Safety

- Travis Elementary School partners with the Travis Airforce Base Security Forces and Fire Safety staff to practice drill procedures monthly. We practice: Fire, Earthquake, and Lock Down drills to be ready for emergency situations. We practice with the entire school community using the terminology Lock Out (Perimeters are locked, but business as usual within classrooms) and Lock Down (Doors are locked, lights are off, and students/staff are hidden). We have drills that are communicated in advance as well as unannounced so that we will be ready in the case of an emergency.
- Each safety section leader has a radio within the classroom to quickly verify the status of their section during drills and in emergency situations. Staff communicate with the office through our phone system when there is a health concern or emergency. In addition, lunch supervisors and our student support specialist use radios to ensure site safety during lunch and recess times. The office staff and administration have radios on at all times to monitor site needs and maintain a safe campus. Key NCI trained staff use radios to communicate when needed and maintain a safe campus.
- Students are supervised by site staff before and after school as well as at every recess. We have a school rotation to ensure that all entrances/exits of the school are supervised daily. Students follow safe school

practices when walking in the hallways and entering and leaving the school. The Multi- Purpose Room is used for release at the end of the day according to our ingress and egress procedures.

- All visitors to campus are asked to sign in directly at the front office on the paper log. Volunteers sign in on the paper log and on the district CERVIS computer. This provides us an accurate record of visitors to our campus. All visitors to campus are asked to place a colored sticker on their upper body identifying them as an approved campus visitor.
- Through school weekly on-line newsletters, and the automatic phone dialer, parents are informed of areas of concern and constructive solutions that help our school community partner together for student safety. These include traffic patterns, honoring cross walks, parking in designated areas, driving at safe speeds around campus, and keeping an eye out for all students to and from school. Orientation at the beginning of the year is used to inform parents of safe school practices.

Socio-Emotional Safety

- Our school values and the character traits we teach our students regularly is to Be Safe, Be Respectful and Be Responsible. Our mission is for the Travis School Community to be committed to student learning, in a safe and nurturing environment, where everyone is held to high expectations and strives to reach their maximum potential.
- To achieve our mission, inculcating the character traits and addressing the socio-emotional and academic needs of every child.
- We have a unified school Positive Behavior and Supports system that includes common classroom management plans, weekly communication from teachers and administrators, recognizing students for displaying our school core values of being safe, respectful and responsible. Each week we recognize students who exhibit these traits with Falcon Talons awarded during Team Time celebrating and recognizing their strengths.
- Each classroom conducts classroom character and weekly Second Step (Social Emotional Learning) lessons. Each class has a break space to support students who may find themselves overwhelmed.
- We have a school social worker, intervention specialists, behavior support specialists, and a student support specialist on staff to additionally provide support to students and staff. We believe in a team approach to support students, staff, and families.
- We conduct Student Study Team meetings when students are not making typical progress. We conduct SART and SARB meetings to address attendance concerns and support students being present on time and every day. Daily phone notifications are utilized to notify parents of absences.
- Our District Behaviorist conducts staff training to help accommodate and address our students' needs when they arise in the classroom. Moreover key staff have been trained in NCI strategies to help implement de-escalation strategies when they are needed. Our staff is supportive and nurturing seeking to help all of our students maintain and gain a positive learning experience in a safe environment.
- PTO helps maintain a school climate and culture that is conducive to a safe school environment by hosting student activity days on campus.
- The Leadership students are implementing Project Wisdom which another character trait program that is shared weekly with the student body and staff during Team Time.
- School Site Council members review the safe school plan and give feedback that is useful in maintaining a safe school environment.

PARKING, PARKING, PARKING!!!!

Students who are driven to our school must NOT arrive before 8:00 and need to be picked up promptly after school. There is no designated staff member to assist with parking. All adults are responsible for following rules and procedures that will benefit everyone!

PARTNERS IN SAFETY

The most important school concern? The safety of our students.

Traffic around schools can pose a safety problem, especially at the beginning and end of each school day. Our goal is to improve safety for our students and offer parents options. Observe the following rules when unloading and loading Travis Elementary students (numbers refer to the map in the welcome folder):

DROP-OFF, OPTION #1—KISS & GO (GRADE K-3 PLAYGROUND AND GRADE 4-6 PLAYGROUND)

- ✓ Enter the Kiss & Go area (1) only when your children are ready to exit the vehicle. School supplies must be in the car (not in the trunk) so that children can exit quickly.
- ✓ Pull forward all the way to the last gate before unloading, even if there are no cars behind you.
- ✓ Unload only from the passenger side of the car.
- ✓ Unload **QUICKLY** in the Kiss & Go area.
- ✓ Unload only from the passenger side of the car.
- ✓ Children enter the playground using the nearest gate in front of your vehicle.
- ✓ Remain in the driver's seat.
- ✓ Do not park in the Kiss & Go lane and leave car unattended.
- ✓ Exit the Kiss & Go lane promptly after unloading children. Stay in sequence.
- ✓ Do not pass cars in front of you. Wait until the car in front has unloaded and follow in turn.
- ✓ Do not block the crosswalk or bus entrance/exit with your vehicle.
- ✓ When walking, parents and students are to use the crosswalk whenever possible.

DROP-OFF, OPTION #2—PARKING

- ✓ Parents park in a visitor/non-staff assigned parking space in front of school or parking lot.
- ✓ All students entering through the front of the school should use the sidewalk to enter the **primary playground** (2); upper grade students walk to the upper grade playground (3) via the primary playground.
- ✓ All students entering through the parking lot should use the cross walk and enter through the nearest open gate.

PICK-UP FOR GRADES K-6 – PARENT MPR PICK-UP

Parents enter the MPR using:

- ✓ Parking lot outside doors.
- ✓ Double glass doors next to the MPR and the lost and found area.
- ✓ Children and siblings should be supervised at all times. **Walking**

with children:

- ✓ When walking, parents and students are to use the crosswalk whenever possible.
- ✓ Parents should monitor children and siblings at all times to prevent accidents or injury.

Student Walkers –

- ✓ Students gather on the stage in the MPR.
- ✓ Students are released to gather transportation vehicles (bikes, scooters or skateboards as needed).
- ✓ Students are expected to follow all school and traffic rules and behavior expectations while walking.
- ✓ Students are escorted off school grounds by an adult. Students should follow the adult.
- ✓ Safe behavior is expected at all times.

TRANSPORTATION REQUIREMENTS

If your child rides the bus, your child will always ride the bus unless the teacher/school has written notification from the parent/guardian.

RAINY DAYS

Between 8:00 and 8:15, students should walk to their outside classroom doors and knock to be let in. If it is pouring down rain and students have a long distance to walk, they may enter the building through the MPR doors (4, 5) or the double doors off of A wing (6).

Transitional Kindergarten Drop-off and Pick-up

- ✓ **AM/PM Drop-off:** TK parents/guardians may drop off their children inside the Kindergarten playground area.
- ✓ **AM/PM Pick-up:** Parents/guardians picking up AM students will pick up their children in the same location that they were dropped off.

On rainy days, parents can enter the main office area and wait with their children until the gate is open or the teacher arrives to escort the students to class. During pickup, students will remain in the classrooms until parents have arrived.

STUDENTS ARE NOT TO PLAY ON K PLAYGROUND EQUIPMENT BEFORE OR AFTER CLASS. THIS EQUIPMENT IS ONLY TO BE USED DURING SCHEDULED CLASS TIME.

Parents/guardians must park in designated parking areas—at no time are buses to be blocked from entering or leaving school property.
