

LAUNCHPAD – CHROME EXTENSION

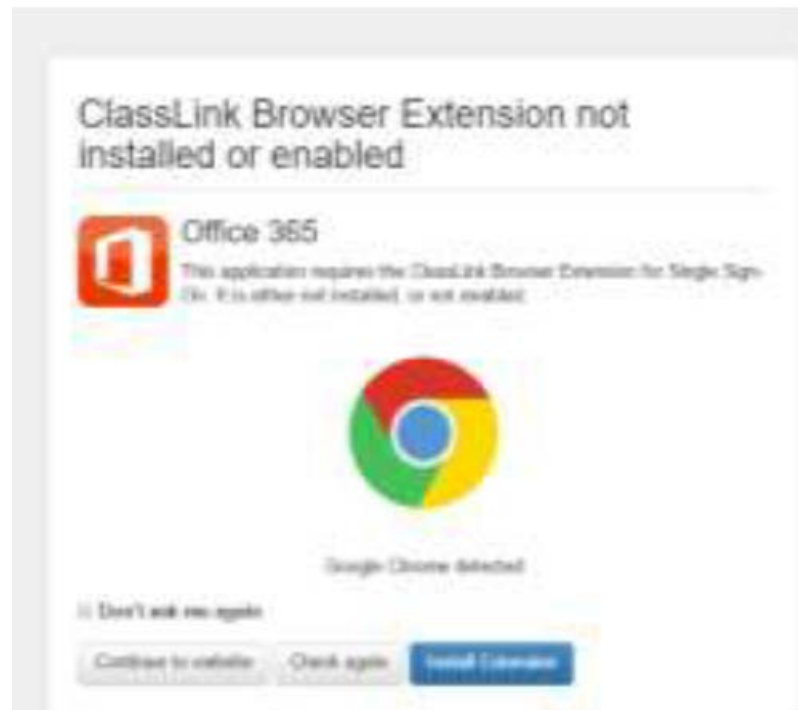

WHY DO I NEED TO INSTALL THE CLASSLINK EXTENSION?

In order for Launchpad to work on your home computer, you must install an extension call the "Classlink Extension." This extension tells your computer that it is alright to save passwords and run programs from within the Launchpad system.

HOW DO I INSTALL THE EXTENSION?

On Google Chrome:

1. The first time you click on an application from the computer, Launchpad will ask you to download the extension.

2. If you are not prompted for the installation, go to the Chrome Web Store website <https://chrome.google.com/webstore/category/apps> and search for "Classlink" in the top right search box. Click 'Add to chrome' next to the LaunchPad Extension.
3. Click 'Add to chrome' next to the LaunchPad Extension.
4. Click 'Add Extension' in the pop up box.
5. A pop up box will appear on the top right
