All matters not specifically enumerated are reserved to the public school employer and may not be a subject of meeting and negotiating, provided that nothing herein may be construed to limit the right of the public school employer to consult with any employees or employee organization on any matter outside the scope of representation.

### 4.2 USE OF FACILITIES

The Association and its members shall have the right to make use of school buildings, facilities and equipment when not otherwise required for District business during regular business hours. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

### 6.3.3 INFORMAL LEVEL - PRINCIPAL OR IMMEDIATE SUPERVISOR

 Within twenty (20) school days after the event or circumstances occasioning the grievance, or after becoming aware of the event or circumstance, the grievant shall initially meet with their immediate supervisor/principal in an attempt to resolve the grievance informally.

6.3.6.5 In the event that the grievant, the Association and the Superintendent or her/his designee have not resolved the grievance with the assistance of the conciliator/mediator within ten (10) school days from the first meeting held by the conciliator/mediator, and the parties have not agreed to continue the mediation, the Association may terminate Level Three and the grievance may proceed to Level Four.

### 6.3.7 LEVEL 4 - BINDING ARBITRATION

(a) If the grievant has not signed a mediation agreement as provided for in 6.3.6.4, the grievant may, within ten (10) school days after the final meeting with the conciliator/mediator, request in writing that the Association submit the grievance to arbitration. 7.10.5 Staff shall not bring children for whom they are responsible to school during this time except under special circumstances, which must be approved by the site administrator.
7.10.6 At the elementary level, effective July 1, 2020, nine (9) Common Planning days per year shall be reserved for site administration/District use. Three (3) of the nine (9) shall be designated for district-wide grade-level common planning. All other Common Planning days will be released to the teachers for planning and preparation purposes. Common Planning days reserved for site administration/ District use shall not be scheduled on the first Wednesday of the month nor on the Wednesday before the minimum day designated for report card preparation. Teachers will participate in Professional Learning Community work during site administration/District Common Planning days rather than during the instructional day.
7.10.7 At Golden West, two (2) Common Planning days shall be reserved per semester for site administration. All other Common Planning days shall be released to the teachers for planning and preparation purposes. If either party finds a need to modify this schedule, both parties shall meet together to determine whether or not changes will be made to the existing schedule for the year. Mutual agreement between Department Chairs and site Administration must be reached to institute any proposed changes.
7.10.8 At Vanden High School, there shall be eight (8) administration-directed Common Planning days for staff collaboration, which shall not exceed one (1) hour in duration. There shall be eleven (11) teacher-directed Common Planning days for planning and preparation. Administration and site

Scheduling will be done at the first Department Chair meeting of each school year. If either party finds a need to modify this schedule, both parties shall meet together to determine whether or not changes will be made to the existing schedule for the year. Mutual agreement between Department Chairs and site Administration must be reached to institute any proposed changes.

## ARTICLE 8 LEAVES

### 8.0 GENERAL LEAVES

The Governing Board may grant other leaves of absence with or without pay at its discretion for reasons not covered within this Article.

Leaves shall not be granted for employment unless the employment is in conjunction with a Leave for Educational Improvement and the employment is offered through the same institution where coursework is being taken, or when the employment is part of overseas programs designed for language or cultural immersion.

All unit members on any form of extended leave which extends to the end of the current school year shall notify the Human Resources Office of their intent to return or not return for the following school year by March 1 of the year of the absence.

### 8.1 PERSONAL NECESSITY LEAVE

An employee may use his/her accumulated sick leave for personal necessity leave pursuant to the express sections of this agreement and Education Code Section 44981.
8.1.1 The employee shall not be required to secure advance approval for Personal Necessity Leave taken for any of the following reasons:
(a) Death of a member of immediate family.
(b) Serious illness of a member of immediate family.
(c) Accident involving the employee's person or property or the person or property of a member of the immediate family.
8.1.2 No more than seven (7) sick leave days may be used in any school year for Personal Necessity Leave. Five (5) of the seven (7) days other than those listed in 8.1.1 may be taken without securing advance approval with the reason being "Personal Necessity."
8.1.3 Personal necessity leave cannot be used in support of strikes or other concerted activities. In case of strike or other concerted activities, all requests for personal necessity leave will be reviewed for compliance with this section.

### 8.2 SICK LEAVE

8.2.1 Each member of the unit shall be entitled to ten (10) days leave of absence during the school year for illness or injury, and such days shall be cumulative and carried forward to the succeeding year.

Unit members may use up to six (6) days per calendar year, to be deducted from sick leave, to attend to an illness of a family member of the unit member. All conditions regarding the use of regular sick leave shall apply to the use of such leave, and this section is not intended to extend the maximum period of leave to which a unit member may be entitled under the Family and Medical Leave Act or the California Family Rights Act.

As used in this section, "family member" means biological, foster, or adopted child, stepchild, legal ward, or a child standing in loco parentis, a biological, foster, adoptive parent, stepparent, or legal guardian; a spouse; a registered domestic partner; a grandparent, a grandchild or a sibling.
8.2.2 When a member of the unit is absent from his/her duties due to illness or injury, the member shall use all of his/her accumulated sick leave before the provision of extended sick leave shall apply. Upon exhaustion of all accumulated sick leave credit, a member who continues to be absent under the provisions of this Article shall receive for up to five (5) months, the difference between his/her pay and the lowest daily substitute rate (in effect at the start of the absence), whether or not a substitute has been employed, or fifty percent ( $50 \%$ ) pay, whichever is greater. Substitute rates are determined by the District.

When an outside consultant is hired for the absent unit member, the cost of the consultant to be deducted from the unit member's pay shall be calculated at the substitute daily rate of pay for a period of up to thirty (30) days.

Extended leave must be on the basis of a doctor's statement. The personnel office may require medical verification of the cause of absence.
8.2.3 Compensation will not be paid to any member of the unit absent for any reason other than those covered in this Article for which compensation is provided.
8.2.4 Any absence due to illness or accident for four (4) or more consecutive days may be required to be verified by the member's physician or recognized practitioner of those who follow a well-recognized faith which depends upon prayer for healing.
8.2.5 For purposes of deduction of sick leave, the following shall be applicable: Persons leaving the site prior to one-half of a workday shall be deducted a full day of sick leave; persons leaving the site after one-half of a workday will be deducted one-half day of sick leave.

Exceptions may be made at the discretion of the principal for that portion of the day after normal student dismissal.

### 8.3 PREGNANCY DISABILITY LEAVE AND CHILD BONDING LEAVE

### 8.3.1 PREGNANCY DISABILITY LEAVE

8.3.1.1 A unit member may use sick leave if physically disabled and unable to render service to the District as a direct result of the pregnancy. Pregnancy Disability Leave is available to unit members who are disabled due to pregnancy, childbirth, or pregnancy-related medical conditions as defined under the Pregnancy Disability Leave Law (PDL).
8.3.1.2 A unit member may take up to four months of pregnancy disability leave. The length of the leave of absence shall be determined by the
unit member's healthcare provider. Leave may be taken intermittently. Upon exhaustion of all accumulated leave, the unit member shall receive differential pay (in accordance with 8.2.2). The unit member shall continue to receive health and welfare benefits.
8.3.1.3 At any time a member is absent as a result of her physical disability arising out of her pregnancy, the District may request a doctor's verification of her inability to render service to the District.
8.3.1.4 In order to use sick leave for pregnancy disability, the member must have been actually rendering paid service to the District and not on any unpaid leave immediately preceding disability.
8.3.1.5 The District may request a doctor's verification of the member's ability to return to work.
8.3.1.6 A unit member returning from pregnancy disability shall return to the position previously held within the same school year. A unit member returning in a different school year retains the rights under Article 10. If the position no longer exists, the unit member shall be returned to a comparable position.

### 8.3.2 CHILD BONDING LEAVE

8.3.2.1 A unit member may use up to twelve (12) workweeks of child bonding leave occasioned by the birth of the unit member's child or the placement of a child with the unit member in connection with the unit member's adoption or foster care of the child as provided by the California Family Rights Act (CFRA).
8.3.2.2 For birthing parents, the twelve (12) workweek child bonding leave shall commence at the conclusion of (but need not be taken immediately following) and pregnancy disability leave. For non-birthing parents, the twelve (12) week child bonding leave shall commence on the first day of such leave. Pursuant to Education Code Section 44977.5, if a unit member exhausts his/her accumulated sick leave prior to expiration of the twelve (12) workweek child bonding leave, the unit members shall be entitled to differential pay (as defined in Article 8.2.2) for the balance of the twelve (12) workweek period. The unit member shall continue to receive health and welfare benefits while on differential pay.
8.3.2.3 Child bonding leave may be taken intermittently. Leave shall be taken in two (2) week increments at a minimum, except on two (2) occasions during which the member may take fewer than two (2) weeks. Additional increments fewer than two (2) weeks may be taken with district approval.
8.3.2.4 Child bonding leave shall be concluded within one year of the birth or placement of the child with the unit member in connection with the adoption or foster care of the child by the unit member. If the school year ends prior to exhaustion of the twelve (12) workweek period of leave, the unit members shall be entitled to use the balance of the twelve (12) workweek period at the commencement of the school year
so long as the leave is completed within one year of the birth or placement of the child with the unit member.
8.3.2.5 If both parents are eligible for CFRA leave and are employed by the District, twelve (12) weeks of child bonding leave shall be available to each parent.
8.3.2.6 The unit member will notify the site supervisor and Human Resources department of the expected need for leave and potential timeframes. Thirty (30) days notice will be given whenever possible.
8.3.2.7 A unit member returning from child bonding leave shall return to the position previously held. If the position no longer exits, the unit member shall be returned to a comparable position.
8.3.2.8 A unit member who wishes to take a personal leave to raise a child in addition to eligible paid child bonding leave available under Education Code Section 44977.5 and Government Code 12945.2 may be granted such leave without pay for up to one (1) year.
8.3.2.9 It is the intent to implement the terms and conditions of Education Code Section 44977.5 and Government Code 12945.2, and further interpretations of these laws will apply; except where this article provides greater rights.

### 8.4 INDUSTRIAL ACCIDENT \& ILLNESS LEAVE

8.4.1 Allowable leave shall be for sixty (60) days during which the schools of the District are required to be in session or when the employee would otherwise have been performing work for the District in any fiscal year for the same accident.
8.4.2 Allowable leave shall not be accumulated from year to year.
8.4.3 Industrial accident or illness leave shall commence on the first day of absence.
8.4.4 When a person employed in a position requiring certification qualifications is absent from his duties on account of an industrial accident or illness, he shall be paid such portion of the salary due him for any month in which absence occurs as when added to his temporary disability indemnity under Division 4 or 4.5 of the Labor Code, will result in a payment to him of not more than his full salary.
8.4.5 Industrial accident or illness leave shall be reduced by one day for each day of authorized absence regardless of a temporary disability indemnity award.
8.4.6 When an industrial accident or illness leave overlaps into the next fiscal year, the employee shall be entitled to only the amount of unused leave due him for the same illness or injury.
8.4.7 Upon termination of the industrial accident or illness leave, the employee shall be entitled to the benefits provided in Sections 44977, 44978 and 44983
of the Education Code, and for the purposes of each of these sections, his absence shall be deemed to have commenced on the date of termination of the industrial accident or illness leave, provided that, if the employee continues to receive temporary disability indemnity, he may elect to take as much of his accumulated sick leave which, when added to his temporary disability indemnity, will result in a payment to him of not more than his full salary.
8.4.8 During any paid leave of absence, the employee shall endorse to the District the temporary disability indemnity checks received on account of his industrial accident or illness. The District, in turn, shall issue the employee appropriate salary warrants for payment of the employee's salary and shall deduct normal retirement and other authorized contributions.
8.4.9 In the event a unit member suffers an industrial illness or injury, upon exhaustion of benefits provided in Article 8.4.1, he or she may use accrued sick leave for replacement for the related wage loss.

However, if the unit member's illness and injury is declared "permanent and stationary", and the unit member has returned to work, then Industrial Accident \& Illness leave may not be used as a replacement for wage loss for medical follow up or treatment appointments, or to qualify for temporary disability payments, unless specifically required by law. The unit member may use accrued sick leave, if any, for such appointments during the work day. In the event the unit member chooses not to utilize sick leave or does not have sufficient sick leave to account for the lost time for these appointments, then the unit member shall forfeit pay for the time taken, per the rules set forth in Education Code 44977.

It is the responsibility of the unit member to include within any Workers' Compensation settlement agreement for "future medical", an offset for such lost wages.
8.4.10 Any employee receiving benefits as a result of this section shall, during periods of illness or injury, notify the District Superintendent prior to any travel outside the State of California.

### 8.5 BEREAVEMENT LEAVE

Each member of the unit shall be allowed up to five (5) days of absence without either loss of pay or use of sick leave in case of a death in the family or anyone residing in the home of the member.

### 8.6 LEGISLATIVE LEAVE

8.6.1 Every person employed by the school district as a permanent employee in a position requiring certification qualifications who is elected to the State Legislature shall be granted a leave of absence from his duties as an employee of the District by the Governing Board.
8.6.2 During the term of such leave of absence, the employee may be employed by the school district to perform such less-than-full-time service requiring certification qualifications for such compensation and upon such terms and
conditions as may be mutually agreed upon.
8.6.3 Such absence shall not affect in any way the classification of such employee.
8.6.4 Within six (6) months after the term of office expires, such employee shall be entitled to return to the position held by him at the time of his election, at the salary to which he would have been entitled had he not absented himself from the service of the school district.
8.6.5 Notwithstanding any provision of law to the contrary, a person employed to take the place of any such employee on Legislative Leave shall not have any right to such position following the return of such employee to the position.

### 8.7 MILITARY LEAVE

8.7.1 The tenure status of a member of the unit shall not be affected by virtue of his induction or call to active duty in any branch of the armed forces of the United States of America or the State of California.
8.7.2 Any unit member who is on temporary military leave of absence and who has been in the service of the public agency from which the leave is taken, for a period of not less than one (1) year, immediately prior to the day on which the absence begins, shall be entitled to receive his salary or compensation as such public employee for the first thirty (30) calendar days of any such absence.

Temporary Military Leave of Absence means a leave of absence from public employment to engage in ordered military duty for a period which, by the order, not to exceed one-hundred-eighty (180) calendar days including travel time.
8.7.3 Such absence does not affect classification and does not constitute a break in service, although the unit member may not count such absence as part of the service required as a condition precedent to permanent classification.
8.7.4 Upon return from military service, within six (6) months of an honorable discharge or placement on inactive duty, the unit member is entitled to his former position at a salary he or she would have received had he or she not been in military service.
8.7.5 During reserve Corps and National Guard emergency military service periods, the time for which is ordered by the President of the United States or the Governor of California, the member of the unit will be granted leave as necessary.
8.7.6 In addition to any other entitlement for leave of absence for illness or injury with pay, a unit member hired on or after January 1, 2017 who is a military veteran with a military service-connected disability rate at thirty percent ( $30 \%$ ) or more by the United States Department of Veterans Affairs shall be entitled to leave of absence for illness or injury with pay of up to ten (10) days for the purpose of undergoing medical treatment for his or her military service-connected disability.
8.7.6.1 Leave granted under this section is not cumulative from year to year.
8.7.6.2 The District may request the unit member to submit proof that a leave of absence for illness or injury used under this subdivision is for treatment of the military service-connected disability.
8.7.6.3 A unit member who qualifies for this leave and is employed less than five (5) days per week is entitled to a pro-rata number of days of leave that his/her number of days of employment bears to ten (10).

## JURY DUTY OR WITNESS LEAVE

Leaves of absence shall be granted employees regularly called for jury duty, or under an official order to appear as a witness in court (other than as a litigant), or to respond to an official order from another governmental jurisdiction. The school district will pay the member of the unit the difference between his regular salary and the amount he receives for witness or jury fees. Any fees, exclusive of mileage received will be surrendered to the District.

When appearance in court as a litigant is necessary, the member of the unit may use Personal Necessity Leave as provided in this Article.

### 8.9 HEALTH AND HARDSHIP LEAVE

Any employee of the District may, at the discretion of the Board, be granted a leave of absence without pay for reasons of health and hardship; such leave to be specified for a period not less than one (1) semester or more than one (1) year. Such leave may be extended in case of serious health conditions on a year-by-year basis. Notices of intention to return will include a written statement from a physician certifying the member's ability to return to full-time service.
8.10 PROFESSIONAL LEAVE

### 8.10.1 LEAVE FOR EDUCATIONAL IMPROVEMENT

After having completed five (5) full years and obtaining tenure, any certificated employee may, at the discretion of the Board, be granted a leave of absence with or without pay for purposes of educational improvement and advancement for one (1) year. An extension of the leave period may be granted where completion of the courses for advancement requires longer than one (1) year and where the advantage will accrue to the District.
(a) A written request stating the reasons for the leave shall first be directed to the employee's immediate supervisor for his recommendation and then through channels for presentation to the Governing Board. Each case will be individually considered and judged on its own merits.
(b) There will be no loss or gain in sick leave for the employee's leave of absence.
(c) The employee may elect to continue his benefits at his own expense. Arrangements for this should be made through the District Office.
(d) Teachers given leaves of absence under this rule must sign an agreement that the Board will be given written notice on or before March 1 of the following year of their intention to return. Failure to notify the Board will be considered as notice that the teacher will not return and that the position is vacant.
(e) A leave of absence will not be considered as a year of experience on the salary schedule.
(f) Requests shall be submitted on or before February 1 of the prior school year.

### 8.11 CATASTROPHIC LEAVE BANK

### 8.11.1 CREATION

1. The Catastrophic Leave Bank shall be funded in accordance with the terms of Section 8.11.2 below.
2. Days in the Catastrophic Leave Bank shall accumulate from year to year. Such leave does not accrue to any individual member.
3. Days shall be contributed to the Bank and withdrawn from the Bank without regard to the daily rate of pay of the Catastrophic Leave Bank participant.
4. The TUTA Catastrophic Leave Bank shall be administered by a three (3) member Catastrophic Leave Bank Committee appointed by the President of the Association.
5. The District shall make a onetime contribution of $\$ 20,000$ to the Bank prior to its inception to add to the employee contributions. The District's contribution, which is converted to a number of usable days, shall be utilized in any year when the employee-contributed days are depleted.

### 8.11.2 ELIGIBILITY AND CONTRIBUTIONS

1. All unit members on active duty with the District are eligible to contribute to the TUTA Catastrophic Leave Bank.
2. Participation is voluntary, but requires contribution to the Bank. Only contributors will be permitted to withdraw from the Bank.
3. Unit members who elect not to join the Catastrophic Leave Bank upon first becoming eligible have a waiting period of sixty (60) days after joining the Bank before becoming eligible to withdraw from the Bank.
4. The contribution, on the appropriate form, will be authorized by the unit
member and continued from year to year until cancelled by the unit member or modified by the Bank committee.
5. Cancellation occurs automatically whenever a unit member fails to make his/her annual contribution or assessment. Cancellation, on the proper form, may be effected at any time and the unit member shall not be eligible to draw from the Bank as of the effective date of cancellation. Sick leave previously authorized for contribution to the Bank shall not be returned if the unit member effects cancellation.
6. Contributions shall be made between July 1 and October 1 of each school year. Unit members returning from extended leave which included the enrollment period and new hires will be permitted to contribute within thirty (30) calendar days of beginning work. The District shall supply enrollment forms for the Catastrophic Leave Bank to all new unit members and those unit members returning from leave.
7. The rate of contribution by each participating unit member for the first year shall be one (1) day, ( 6.5 hours), of sick leave, which shall be deemed to equate to the legal minimum required by Education Code Section 44043.5. Contributions thereafter shall be determined by the Committee.
(a) An additional contribution will be required of participants if the number of days in the Bank falls below one hundred fifty (150). Catastrophic Leave Bank participants who are drawing from the Bank at the time of the assessment will not be required to contribute to remain eligible to draw from the Bank. If a Catastrophic Leave Bank participant has no remaining sick leave at the time of the assessment, they need not contribute the additional day to remain a participant in the Catastrophic Leave Bank.
(b) If the number of days in the Bank at the beginning of a school year exceeds five hundred (500), no contribution shall be required of returning unit members. Those unit members joining the Catastrophic Leave Bank for the first time and those returning from leave shall be required to contribute one (1) day to the Bank.
8. Unit members who are retiring or leaving the employ of the District may contribute any or all of their unused sick leave to the Catastrophic Leave Bank.
9. By October 31 of each school year, the total contribution of participating unit members will be placed in the Catastrophic Leave Bank.
10. All contributions to the Bank are irrevocable.

### 8.11.3 WITHDRAWAL FROM THE BANK

1. Catastrophic Leave Bank participants, whose sick leave is exhausted, may withdraw from the Bank for catastrophic illness or injury subject to the limitations below.

The Association defines "Catastrophic" in accordance with Webster's Dictionary (1993) as a "momentous, tragic, sudden event marked by effects ranging from extreme misfortune to disaster." The Catastrophic Leave Bank is not intended to be used for maternity leave.

To qualify for withdrawal for the Bank, a catastrophic illness or injury must be one that incapacitates the unit member for over ten (10) consecutive duty days or incapacitates a member of the unit member's family for over ten (10) consecutive days which requires the unit member to take time off work to care for that family member.

A duty day as used in this article shall be any day the unit member's school is in session. If a reoccurrence or a second illness or injury incapacitates a unit member or member of the unit member's family within twelve (12) months, it shall be deemed catastrophic after five (5) consecutive duty days. Thus, a participant who used the Bank after exhaustion of sick leave for twenty-five (25) days to care for his wife who dies of cancer and, after returning to work, suffers a heart attack shall be deemed to have a second catastrophic illness and may again withdraw from the Bank after only five (5) consecutive duty days off work.
2. Participants must use all sick leave (but not differential leave) as defined in Article 8.2 available to them before eligible for a withdrawal from the Bank.
3. Participants who have exhausted sick leave but still have differential leave available are eligible for a withdrawal from the Catastrophic Leave Bank. The District shall pay the participant full pay and the Bank shall be charged forty percent ( $40 \%$ ) of the day.
4. The first ten (10) duty days of illness or disability must be covered by the participant's own sick leave, differential leave, or leave without pay the first time said participant qualifies for a withdrawal from the Bank. For subsequent withdrawals, within twelve (12) consecutive months, the first five (5) duty days of illness must be covered by the participant's own sick leave, differential leave, or leave without pay.
5. If a participant is incapacitated, the participant's agent or member of the participant's family may submit applications to the Committee.
6. Withdrawals from the Catastrophic Leave Bank shall be granted in units of no more than thirty (30) duty days. Participants may submit requests for extensions of withdrawals as their prior grants expire. A participant's withdrawal from the Bank may not exceed the statutory maximum period of six (6) consecutive months.
7. Participants applying to withdraw or extend their withdrawal from the Catastrophic Leave Bank will be required to submit a doctor's statement, which includes verification of the need for catastrophic leave. Members of the Committee shall keep any medical information provided regarding the nature of the illness confidential.
8. If a participant has drawn thirty (30) Catastrophic Leave Bank days and requests an extension, the Committee may require a medical review by a physician of the Committee's choice at the participant's expense. The Committee shall choose only a physician who qualifies under the District offered insurance policy. Refusal to submit to the medical review will terminate the participant's continued withdrawal from the Bank. The Committee may deny an extension of withdrawal from the Catastrophic Leave Bank based upon the medical report. The participant may appeal any termination under the procedures outlined in Section 12 below.
9. Leave from the Bank may not be used for illness or disability which qualify the participant for Worker's Compensation benefits unless the participant has exhausted all Worker's Compensation leave, his/her own sick leave, and provided further that the member signs over any Worker's Compensation checks for temporary benefits to the District. Catastrophic leave shall be available to unit members with industrial illness and accident leave only after exhaustion of statutory industrial illness leave and exhaustion of accumulated sick leave. If the District challenges the Worker's Compensation claim, the participant may draw from the Bank but, upon settlement of the claim, the Bank shall be reimbursed the appropriate number of days by the District.
10. If the Catastrophic Leave Bank does not have sufficient days to fund a withdrawal request, the Committee is under no obligation to provide days and the District is under no obligation to pay the participant any funds whatsoever. If the Committee denies a request for withdrawal or an extension of withdrawal because of insufficient days to fund the request, they shall notify the participant, in writing, of the reason for the denial.
11. Withdrawals shall become effective immediately upon the exhaustion of sick leave or the waiting periods provided for in Articles 8.11.2.3 and 8.11.3.4, whichever is greater. For example, if a participant contributed when first eligible to contribute (Article 8.11.2) and had ten (10) days of accumulated sick leave when the illness began (Article 8.11.3), he/she shall begin withdrawing upon the eleventh (11th) duty day if otherwise eligible. If the participant had fifteen (15) days of sick leave at the beginning of the illness, he/she shall begin withdrawing days on the sixteenth duty day. If the participant had five (5) days of sick leave at the beginning of the illness, he/she shall begin withdrawing days on the eleventh (11th) duty day.
12. Catastrophic Leave Bank participants who are denied a withdrawal or whose withdrawal is not renewed or terminated may, within thirty (30) days of denial, appeal, in writing, to the Executive Board of the Association. The Executive Board of the Association shall hold a hearing within fifteen (15) duty days. The Executive Board shall issue a confidential written decision
within fifteen (15) duty days of the hearing. The Executive Board's decision is final and nongrievable. If the participant's incapacitation does not allow participation in this appeal process, the participant's agent or member of the family may process the appeal.

### 8.11.4 ADMINISTRATION OF THE BANK

1. The Catastrophic Leave Bank Committee shall have the responsibility of maintaining the records of the Catastrophic Leave Bank by receiving withdrawal request, verifying the validity of requests, approving or denying the requests, and communicating its decisions, in writing, to the participants and to the District. The Committee shall respond within ten (10) duty days to any written request by the District for clarification of the Committee's decision.
2. The Committee's authority shall be limited to administration of the Bank. The Committee shall approve all properly submitted requests complying with the terms of this article.
3. Applications shall be reviewed and decisions of the Committee reported to the applicant, in writing, within ten (10) duty days of receipt of the application.
4. The Committee shall keep all records confidential and shall not disclose the nature of the illness except as is necessary to process the request for withdrawal and defend against any appeals of denials.
5. In September, January, and May, and prior to the Committee convening to administer the bank, the District shall notify the Committee of the following:
(a) The total number of accumulated days in the Bank on June 30th of the previous school year.
(b) The number of days contributed by unit members for the current year.
(c) The names of participating unit members.
(d) The number of days contributed by people returning from leaves or new to the District.
(e) The total number of days available in the Bank.
(f) The names of any additional unit members who have joined in accordance with Article 8.11.2.
(g) The names of any unit members who have cancelled participation in accordance with Article 8.11.2.
(h) The total number of days in the Bank at the beginning of the previous month.
(i) The total number of days added to the Bank by new participants or people returning from leaves.
(j) The total number of days awarded during the previous month and to whom they were awarded.
(k) The total number of days remaining in the Bank on the last day of the month.
6. Any dispute between the Committee and the District as to the accounting of Catastrophic Leave Bank days shall be immediately submitted to Binding Arbitration without the need to follow earlier steps of the grievance procedure as per Article 6.
7. If the Catastrophic Leave Bank is terminated for any reason, the days remaining in the Bank shall be returned to the then current members of the Bank proportionately.

## ARTICLE 9 <br> CLASS SIZE

9.0 The parties agree that in the event the District's unrestricted balance falls to $\$ 3,000,000.00$ or below, Article 9 (Class Size) must be renegotiated.

As per November 17, 2009 agreement: Class size reduction is a priority of the parties and the District shall reduce class size by hiring additional FTE of certificated staff as outlined in the restoration chart.

### 9.1 GENERAL

The following class sizes shall be defined as applicable for all schools in the District:
Grades TK-3: 20*
Grades 4-6: 32
Grades 6-8 (academic subjects): $35^{* *}$ (Daily Maximum: a total of 214 per day) Grades 9-12 (academic subjects): 36**

Preparation Class Periods for grades TK -3 only, shall not exceed a class size maximum of 30 students to 1 .

*This class size shall exist so long as the State of California continues to fund the class size reduction program, at grades TK-3, at current levels, including the annualized increases in the District's base revenue limit for this program. If funding should fall below the level stated above, the maximum class size shall revert to twenty-eight (28).
**Should the District propose the implementation of block scheduling the parties shall initiate bargaining over the implementation and impact of scheduling and class size prior to implementation.
9.1.1 The Maximum load shall be reduced by two in all classes at the elementary schools that combine more than one grade level. Unit members who are assigned a combination class shall receive a $\$ 1500$ stipend.

### 9.2 GRADES 6-8

For these certain classes, Grades $6-8$, the following shall be class limits:

### 9.2.1 Electives: 30

One session is three (3) hours long and one session is two (2) hours long. Due to the addition of a fifth day, the preschool SDC teacher will not be assigned special education duties that are not pertinent to the teacher's caseload. The Preschool SDC caseload shall be sixteen (16) students. A single class shall not exceed ten (10) students. Total caseload for the two classes shall not

When economically feasible, every effort will be made to staff at the 1 to 1,000 ratio recommended by the National Association of School Psychologists.
9.4.7 SDC and SH students assigned to any general education elementary classroom teacher for fifty (50) minutes or more, or to any general education secondary classroom teacher, will count toward general education class size. No more than two (2) SDC or SH students shall be assigned to any fifty (50) minute time period. With the written consent of the classroom teacher, up to four (4) mainstreamed students (i.e. those students receiving special education service more than $50 \%$ of the time from special educators) may be assigned for any academic period with additional instructional staff. An academic period is the time in which one subject is taught.
9.4.8 No more than four (4) elementary special day class students will be mainstreamed into included in a support music, P.E., or library class. A teacher may agree to have more than four (4) special day class students for special occasions/performances/field trips, etc.
9.4.9 Every effort will be made to balance the number of students with IEPs within all classes at each school site. If Special Education students are mainstreamed into secondary classrooms that are at the contractually stated class size maximum, the teacher shall be paid as set forth in section 9.7.4.
9.4.10 The site administrator in consultation with the Superintendent/designee will reassign students and/or staff if such reassignment is deemed necessary by the principal in order to comply with the provisions of 9.4.7 and 9.4.8.
9.4.11 The District and TUTA acknowledge that for State auditing procedures initiated in 2017-2018, the District has changed the way Special Education students (those who spend $50 \%$ or more of their day receiving Special Education services), appear on site rosters in the District data base. While the students' names do not appear in the District electronic attendance roster, all students assigned to a general education teacher for 50 or more minutes of the school day shall be on the general education class roster and will count toward the general education class size when determining class size limits.

### 9.5 COMBINING PHYSICAL EDUCATION AND MUSIC (Elementary)

Nothing in this Article shall preclude teachers of elementary physical education and music from voluntarily combining classes for purposes of meeting individual program needs.

### 9.6 STUDENT CLASS ASSIGNMENTS

Student class assignments shall be made by the principal/designee. The principal will have the first fifteen (15) days of school to bring all classes within the contract maximum. No compensation shall be paid during these fifteen days.
9.6.1 At the secondary level, the principal shall have the first five (5) days of the second semester to bring all classes within the contract maximum. No compensation shall be paid during these five days.

### 9.7 CLASS SIZE OVERAGE REMEDIES

It is the goal of the Travis Unified School District to keep class sizes within the stated contract maximums ( $9.1,9.2,9.3,9.4$ ). When class sizes approach the class size maximums, the principal shall consult with staff members and the Assistant Superintendent of Human Resources to discuss possible solutions in the event that class sizes are exceeded at a future date. In classes that exceed the maximum, the following procedure shall be used:

### 9.7.1 SCHOOL REASSIGNMENT

The District Administration may reassign students to other schools in the District if such reassignment would bring the affected class(es) to within the maximum class size limits and such action is deemed advisable by the principal.

### 9.7.2 COMBINING CLASSES

Combination classes may be established by the principal if this procedure will bring the affected class(es) within the maximum class size limits at the applicable grade levels.

### 9.7.3 OTHER

When class sizes are exceeded and none of the procedures in 9.7.1 and 9.7.2 are feasible, the principal shall discuss the problem with teachers of the affected classes and explore alternative approaches to resolve the problem.
9.7.4 After exhaustion of 9.7, 9.7.1, 9.7.2, and 9.7.3, the following procedure shall apply:

## ELEMENTARY:

Classroom teachers will receive $\$ 30.68$ a day compensation per student for each student over the class size maximum after the first 15 school days. The additional compensation begins on the first day that the class size is over the maximum and continues until class size drops within the class size maximum. No individual class shall be exceeded by two students over the contract maximum.

Compensation for support staff (library, music, P.E.) will be made on a prorata basis. The total amount of money available to be $9 \%$ of the total paid to the classroom teachers each semester to be figured separately for each school.

## SECONDARY:

Classroom teachers will receive $\$ 9.11$ per day compensation per student per period over the class size maximum after the first 15 school days.
The additional compensation begins on the first day that the class size is over the maximum and continues until class size drops within the class size maximum. The class size shall not exceed two students over the contract maximum. Teachers are not eligible for additional compensation for both per class and total daily student contact in excess of the maximum set forth in this article. Instead, teachers shall receive additional compensation based on which calculation-per class or student contact-yields the most additional compensation. There will be no limit on the number of students exceeding total daily student contacts, unlike the current individual class limit of two (2) students over the contract maximum.

### 9.7.5 POSTING AND FILLING OF VACANCIES/NEW POSITIONS

The timelines for posting and filling vacancies/new positions created under this article shall be five days.

9.7.7 WRAP UP LANGUAGE

Upon receipt of the third student over the class size maximum, and the failure of Sections 9.7.1-9.7.3 to yield a solution, the affected teacher may file a grievance. Any solution to the grievance must be fiscally sound.
9.8.1 Administrators shall first seek and consider volunteers before making coteaching assignments.
9.8.2 Absent extenuating circumstances, the general education teacher and special education teacher co-teaching team shall have the same preparation period.
9.8.3 In order to maintain the integrity of the least restrictive environment and follow best practices, every reasonable effort shall be made to maintain each co-taught class with no more than $1 / 3$ of the class's students having co-teaching specified in their IEPs.
9.8.4 During the first school year a co-teaching team works together, each teacher may have four (4) full release days for team planning. Such days shall be pre-approved by the site principal and may not be taken on Mondays or Fridays. The co-teaching team will not be required to attend more than one (1) IEP on a release day.

## ARTICLE 10 <br> TRANSFER/REASSIGNMENT PROCEDURE

### 10.1 PRIMARY CONSIDERATION

The primary consideration in affecting assignments and transfers shall be to provide the best possible educational program for students and assure that the needs of the school system will best be met.

### 10.2 GENERAL PRINCIPLES

### 10.2.1 TRANSFER

A transfer is the movement of a unit member from one work location to another work location at a different work site.

### 10.2.2 REASSIGNMENT

A reassignment is the movement of a unit member from one subject area to another subject area or one grade level to another grade level at the same work location.
10.2.3 BASIS

Neither a transfer nor a reassignment shall be made or denied arbitrarily, capriciously, or without a basis in fact.

### 10.2.4 RELEASE TIME

Unit members returning from leave shall be afforded all rights provided under this section.

### 10.3 TWO TYPES OF TRANSFERS

### 10.3.1 ADMINISTRATOR-INITIATED

Administrator-initiated transfers shall be at the discretion of the Superintendent. These transfers shall be based upon the best interests of the District's educational program and shall not be punitive nor disciplinary in nature.
10.3.2 UNIT MEMBER-INITIATED

A member of the unit may request, in writing to the Personnel Office, a transfer from one school to another. Such a request shall be valid for two (2) years from date of receipt.
10.4.1 Members of the unit who are administratively transferred shall have the right to indicate preferences from a list of vacancies. The Superintendent or his/her designee shall give the member of the unit who is administratively transferred a written statement of the reasons for the administrative transfer.
10.4.2 Unit members who are administratively transferred shall be informed of this action by the Superintendent or his/her designee in a private conference as early as possible.

### 10.5 BASES FOR RECOMMENDATION OF TRANSFER OR REASSIGNMENT

In determining recommendations for transfer, only the following elements shall be considered where applicable (not in order of priority):
10.5.1 Credential.
10.5.2 Staffing needs of the school.
10.5.3 District staffing needs.
10.5.4 Experience.
10.5.5 Desire of teacher.
10.5.6 Professional preparation.
10.5.7 Seniority. All other factors being equal, seniority preference shall govern.

### 10.6 VOLUNTARY TRANSFER

10.6.1 A unit member may submit a written request for transfer to the District at any time or to the site administrator or his/her designee at any time. A unit member may also submit a written request for transfer subsequent to the posting of a vacancy notice pursuant to the posting procedure of this article. If one or more unit members request a transfer to a vacant position, the principal shall interview all interested members prior to making the final decision. The applicants shall not be interviewed by a panel of peers. The decision to accept or deny the transfer request shall be made prior to consideration of any outside candidates.
10.6.2 If a unit member's written request for a voluntary transfer is denied, then the administrator shall inform the unit member in writing of the denial and the opportunity for the unit member to request a meeting with the administrator to discuss the reasons for the denial. The unit member may also request written reasons for the denial. The unit member shall make the request(s) within ten (10) working days of receiving the denial. The administrator must comply with the request(s) within ten (10) working days of receiving the request.
10.6.3 If a unit member requests that his/her application for transfer be kept confidential, the principal at his/her school shall not be notified by Personnel Services of the application until after an offer of transfer has been made, and the matter will be treated as confidential as practicable.

### 10.7 INVOLUNTARY TRANSFER

10.7.1 The District shall seek volunteers prior to making an involuntary transfer*. The process shall include written notice of the need for volunteers. If an involuntary transfer is necessary, the District shall utilize the criteria listed in 10.5 of this Article. At the elementary level, no teacher will be assigned more than two (2) levels below or above his/her present level.
10.7.2 If a particular school is to be closed or program eliminated, then unit members at that school/program shall be accorded first priority* for filling any new or vacant positions at the school or schools at which the students at the closing school are being placed for the coming school year.
10.7.3 The unit member from the closed school or eliminated program shall also be accorded first priority* for filling all vacancies that arise for which he/she has an appropriate credential. When two or more of these unit members apply for the same vacancy, the position shall be granted to the unit member with the greatest seniority.
10.7.4 Whenever any unit member has been involuntarily transferred from a given position because of a change in programs or growth that member shall have first priority* for return to that or an equivalent position for which the member is qualified, provided he/she has requested such return in writing and provided any position becomes open.

### 10.8 VOLUNTARY REASSIGNMENT

10.8.1 A unit member may submit a written request for reassignment to the District at any time or to the site administrator or his/her designee. A unit member may also submit a written request for reassignment subsequent to the posting of a vacancy notice pursuant to the posting procedure of this article. If one or more unit members request a reassignment to a vacant position, the principal shall interview all interested members prior to making the final decision. The applicants shall not be interviewed by a panel of peers. The decision to accept or deny the reassignment request shall be made prior to consideration of any outside candidates.
10.8.1.1 In March of any given year the site principal shall email teachers at the site in order to elicit their assignment preferences for the following year. The site principal or designee shall follow the procedure in 10.8.1 above, except that they shall only be required to post vacancies to unit members at the school site. Not later than the end of the March, the site principal shall inform site unit member teachers of their tentative assignments for the following year.

After tentative assignments are made, communicated, and accepted, remaining and resulting vacancies shall be posted and filled utilizing other processes in this Article.
10.8.2 If a unit member's written request for a voluntary reassignment is denied, then the administrator shall inform the unit member in writing of the denial and the opportunity for the unit member to request, in writing, a meeting with the administrator to discuss the reasons for the denial. The unit member may also request written reasons for the denial. The unit member shall make the request(s) within ten (10) working days of receiving the denial. The administrator must comply with the request(s) within ten (10) working days of receiving the request.
10.8.3 District and TUTA agree that as current nurse and librarian positions become open, the District will have the option to replace nurses and librarians with health clerks and library clerks/technicians.

### 10.9 INVOLUNTARY REASSIGNMENT

10.9.1 The Principal shall seek volunteers prior to making any involuntary reassignment*. The process shall include written notice of need for volunteers. If an involuntary reassignment is necessary, the administrator shall utilize the criteria listed in Article 10.5. If an elementary school teacher has been involuntarily reassigned, that teacher shall not be involuntarily reassigned for the next two (2) school years. At the elementary level, no teacher will be assigned more than two (2) levels below or above present level.
10.9.2 Whenever any unit member has been involuntarily reassigned from a given position because of a change in programs or growth that member shall have first priority** for return to that or an equivalent position for which the member is qualified, provided he/she has requested such return in writing and provided any position becomes open.

Interested unit members shall submit a written request for consideration for the position to Human Resources within four (4) days following the date of posting for positions posted prior to 11 a.m. Unit members have five (5) days following the date of posting to respond to positions posted after 11 a.m. The District may, after each posting, hire outside candidates to fill those positions not filled with staff presently employed. If the position is filled by another unit member, then the newly vacated position shall be filled using the process described in this section.
10.10.2 Unit member vacancies occurring twenty (20) calendar days prior to the first
required reporting date shall be filled by the District and are not subject to the requirements in Article 10.10.1. Unit members who have previously submitted a Statement of Interest Form within the last school year (per Article 10.10.3) for the vacancy shall be given first consideration. Human Resources will follow Article 10.10.1 for newly created positions (exclusive of TK-12 classroom teaching positions) within twenty (20) calendar days prior to the first required reporting date.
10.10.3 A written Statement of Interest Form may be filed by a unit member with Human Resources by the last Friday in May of any given year (per Article 10.10.2) for vacancies or newly created positions arising during the summer for the following school year. Not later than March 31, Human Resources shall remind unit members, via email, of the opportunity to file a Statement of Interest Form. Unit members who have not submitted a Statement of Interest Form may still submit a written request for consideration for any position per Article 10.10.1.

### 10.11 SPECIAL EDUCATION

Whenever any certificated unit member who is performing service in a special education position is made a unit member of the Travis Unified School District because of the reorganization of special education programs pursuant to actions of the County Consortium or changes in legislation, his/her terms and conditions of employment shall be subject to bargaining under the Act and consistent with California Education code provisions. 12.4.5.3 The evaluator shall conduct one Drop-in visit prior to each of the informal observations and Formative observations. The Drop-in visit shall be less than 10 minutes. 12.5.8 In cases where the evaluator attached evidence of support offered or given to a Unit Member during the current year to address areas of concern related to unsatisfactory performance on specific professional standards no later than the one-hundred twenty-fifth ( $125^{\text {th }}$ ) TUSD school calendar workday, the evaluator may mark "Needs Improvement" and assign the Unit Member to be evaluated the next year using the traditional observation evaluation instrument. In addition, an Improvement Plan shall be developed within fifteen (15) working days of the final recommendation.
12.5.9 In the event of a "Needs Improvement" the evaluator and the unit member shall mutually develop a written performance improvement plan identifying the unit member's perceived performance deficiency(ies) as documented with evidence and suggested action that shall be taken by the employee to improve performance, i.e., counseling, training, resources, or other assistance as appropriate.

12.9.1 Whenever an initial complaint is lodged against a member of the unit, the member shall be informed of such complaint within two (2) working days and shall be given the opportunity to resolve the complaint. For purposes of this section, a working day shall be defined as a day which the unit member was scheduled to work and was present at work.

## ARTICLE 13 <br> PART-TIME EMPLOYMENT WITH FULL RETIREMENT CREDIT

### 13.1 PROVISIONS

The intent of the language in this section is to comply with the current Education Code that allows employees to take advantage of the State Teachers Retirement System (STRS) Reduced Work Load Program. The Association and District agree the District will follow whatever the current law, rules and regulations are, including any limitations and/or restrictions, whether or not they were in place at the time the original job share under this provision was formed. It is the responsibility of unit members requesting to use this program to obtain the most current rules, regulations, and 1 imitations from STRS. By
applying to use this program, unit members agree to comply with the current STRS regulations, both at the time of application and during the entire period of the reduced work load job share.

In accordance with the following provisions, certain members of the unit of the Travis Unified School District will be permitted to reduce their workloads to not less than onehalf time of regular full time members and will be permitted to have retirement benefits based on full time employment.
13.1.1 Age - The member must have reached the age of fifty-five (55).
13.1.2 Length of Employment- The member must have been employed full time in a position requiring certification for at least ten (10) years, of which the immediately preceding five (5) years were full time employment.
13.2 OPTIONAL PART-TIME EMPLOYMENT

The option of part-time employment must be exercised at the request of the member and with the concurrence of the Superintendent and can be revoked during any school year only with the mutual consent of the Board and unit member. The concurrence of the Superintendent shall not be unreasonably withheld.

### 13.3 STRS

The District and the member will make the contribution required of full time members to the State Teachers' Retirement System.

### 13.4 SALARY

The member shall be paid a salary and fringe benefit package which is the pro-rata share of the salary the member would be earning had the member not elected to exercise the option of part-time employment, but shall retain all other rights and benefits for which the member makes the payments that would be required if the member remained full time employment.

### 13.5 MINIMUM PART-TIME EMPLOYMENT

The minimum part-time employment shall be the equivalent of one-half of the number of days of service required by the member's contract of employment during the final year of service in a full time position.
13.6.1 Members of the unit, subject to the approval of Administration, shall be permitted to job share. Job sharing shall refer to two (2) unit members sharing one (1) fulltime position.
13.6.2 For members of the unit wishing to participate in job sharing, the following conditions shall apply:
(a) Any assignment/opening may be made available to job sharing for certificated staff who have obtained tenure, and who have not had an unsatisfactory evaluation in their last evaluation cycle, and who indicate by March 1 annually, in writing, to the Human Resources Office their desire to job share. The unit member's site principal or program manager must approve the job share and its division of responsibilities. The final decision shall be made by the district chief personnel officer.
(b) Job sharing assignments shall be filled only by teachers who have agreed to work together. Responsibilities of the assignment by two (2) job sharers may be divided and/or allocated according to the plan designed by the job sharers with the approval of their immediate supervisor.
(c) Each job sharer shall be responsible for participating in and/or being informed about faculty meetings, district meetings, parent conferences and extra duties required of full-time staff
(d) Job shares shall retain their place on the certificated salary schedule. For purposes of calculating career increments, during the duration of a job share, each party shall continue to accrue years of service on a year-foryear basis.

For purposes of salary schedule advancement, in order to advance one step on the salary schedule, each member of the job share must separately contract for more than $75 \%$ full time equivalent (FTE) and must work $75 \%$ or more of the number of days in a contracted year.

However, each individual may accrue those percentages over two consecutive work years with no year counting more than one time. The employees will also be given the appropriate added increments for honoraria proportional to their percentage of employment.
(e) Unit members working in job sharing positions shall receive prorated amounts of health, welfare and leave benefits. Contributions to STRS shall be proportionate to the time served and the salary earned.
(f) Job sharers will substitute for each other whenever possible and shall receive the daily substitute rate of pay for that time served as a substitute.
(g) Job sharers who were previously full-time staff members and who wish to return to full-time assignments in the subsequent year must inform the Human Resources Office of their intent by March 1 of the year prior to their intended return. They shall be allowed to return to full-time status when
vacancies exist for which they are qualified.
(h) Unit members exercising the option to job share shall take an unpaid leave of absence for the portions of their contract shared. Unit members participating in job sharing shall retain their original hire date within the district.

2. Find a new approved job share partner within thirty duty days from the date of the original partner's last day of service (the District shall provide a substitute teacher for the absent partner during this period, if requested), or
3. Accept the job share partner assigned by the District for the remainder of the current school year.
(j) Job shares shall be approved one year at a time. Extensions may be granted by the District's chief personnel officer. Denials for renewal shall not be arbitrary, capricious, or without basis in fact. ## ARTICLE 18 SALARY AND FRINGE BENEFITS

## AGREEMENTS ON SALARY:

As per November 30, 2012 agreement: The parties agree to restore six (6) of the eight (8) instructional days, specifically: April 29 (All Sites); June 3, 4, 5, 6, 7 (Traditional Sites); June 13, 14, 15, 18, 19 (Modified Sites). The District shall pay each employee the corresponding salary adjustment related to the restoration of the days referenced above. The restored amount, retroactive to July 1, 2012, shall be paid back to each employee as part of January 2013 warrants.

As per May 29, 2012 agreement: To achieve four percent (4\%) reduction, beginning with the 2012-13 school year, the teacher work year shall be reduced by eight (8) instructional days, from 179 days to 171 days, with a commensurate salary schedule decrease (excluding honorariums, stipends and longevity) of four percent (4\%) for all unit members, effective July 1, 2012.

As per November 17, 2009 agreement: The step and column section of the salary schedule is reduced by $2 \%$. Effective January 1, 2010, other payments including but not limited to honorariums, longevity and stipends shall return to 2008-2009 salary schedule level and remain unchanged. Unit members shall advance on the salary schedule during the period of this contract in accordance with their placement and seniority.

District agrees to use any Federal Impact Aid funding above $\$ 3,708,000$, exclusive of Table 9 funds, to reduce the structural deficit in any year. In the event the impact aid funding falls below $\$ 3,708,000$, the structural deficit reduction contribution line in the restoration chart will increase by the appropriate ADA amount to make up the difference. Examples:

- Funding for Federal Impact Aid drops from $\$ 3,708,000$ to $\$ 3,500,000$. The difference of $\$ 208,000$ would be divided by the funded ADA ( $\$ 5,082.95$ for 2010-11) resulting in a $\$ 40.92$ increase to the necessary structural deficit reduction contribution.
- Funding for Federal Impact Aid increases from $\$ 3,708,000$ to $\$ 4,000,000$. The difference of $\$ 292,000$ would be applied towards reducing the structural deficit by the District.

If the District receives additional unrestricted federal money, the first priority will be to fund existing unfunded certificated Full Time Employees (FTE's) and the District agrees to spend any such monies first on funding those positions. There are currently 19 such FTE's. The District will provide TUTA with the number of unfunded FTE's by June 30th of each year of the contract. The second priority is to reduce the structural deficit.
As per April 28, 2015 agreement: For the fiscal (school) year 2015-2016 the ongoing estimated revenue (exclusive of Impact Aid) that was used during negotiations was $\$ 44,985$, 106 . If upon budget adoption for the fiscal (school) year 2015-2016 the ongoing estimated revenue (exclusive of Impact Aid) is greater than the estimate used for negotiations $(\$ 44,985,106)$ by at least $\$ 2,200,000$ the District and TUTA agree to reopen negotiations to discuss compensation changes that might be possible without the District incurring deficit spending.

In addition for this provision to go into effect for the fiscal (school) year 2015-2016 the ongoing estimated revenue (exclusive of Impact Aid) for fiscal (school) year 2016-2017 must exceed the amount used for negotiations $\$ 47,019,509$ by $\$ 2,000,000$.
