Dear Parents of Secondary Students (grades 7-12):

Re: *Police Dogs on Campus*

This school year, we will continue to periodically have drug-sniffing police dogs on our school campuses. The purpose for bringing the dogs to our schools is to help the officers and dogs become familiar with the sights, sounds, and smells of our secondary school sites.

Please know that the dogs will not be interrupting instructional time since searches of classrooms will not take place while classes are in session. The dogs will not be searching students or staff, but are trained to sniff physical property. Although the purpose is to provide a cooperative relationship with local law enforcements agencies, we will act upon any contraband which might be inadvertently discovered.

We appreciate your cooperation and ask that you please speak with your site administrator if you have any questions.
