

Math Lab

2015-2016

Course Objectives:

- * Enhance concepts taught in Math 7.
- * Review skills taught in previous math classes.
- * Apply skills to real world situations

Grading:

80% Classwork and participation

20% Tests

90- 100% A

80- 89% B

70- 79% C

60- 69% D

0 - 59% F

In order for a student to move out of Math Lab at the Semester, he/she must earn a C or higher in both Math 7 and Math Lab, as well as receive their Math 7 teacher's recommendation. All possible changes are contingent on space available.

All other expectations for this class are identical to those outlined in the Math 7 handout.

I have read and understand the handouts for Math 7 and Math Lab.
